

## RED CROSS DRIVE IN SECOND WEEK; \$1,394 SUBSCRIBED

The annual Washington Township Red Cross fund drive goes into its second week today with officials still confident that the goal of \$6,000 will be subscribed before April 15.

As of the end of the second week, \$1,345.94 had been collected by volunteer campaign workers.

"We are not the least bit discouraged," said Ann Mayock of Mission San Jose, chairman of the fund drive.

"We know we are asking support for an organization worthy of what we ask," she added, "and the people of Washington Township will not let the Red Cross down."

Members of the Red Cross Motor Corps, Nurses Aides, Grey Ladies, and Red Cross staff assistants, all volunteer workers, have been stationed in local banks on the past two Fridays to answer questions concerning the fund drive and to solicit funds.

Those assisting at the local banks were: Miss Harriet Dias of Niles; and Mmes. Emily Fields, Sophie M. Quartaroli, Marion McGowan, Nellie Talley, all of Niles; Janet Granger, Emily Joseph, Joey Whipple, all of Decoto; Betty Brown of Centerville; and Justine Adams, Lucille Day and Anne Rose of Irvington.

Red Cross officials also extended thanks to local industrial concerns who co-operated in the fund drive, and to the employees who contributed.

Local Red Cross Fund Committee members this week have requested those they can not personally contact to send their contributions to Ann Mayock, Red Cross Fund Chairman, P. O. Box 237, Mission San Jose.

Members of the local committees are as follows:

Irvington: Wallace Pond, Pond's Pharmacy; Carl Christensen, Central Bank; Mrs. Walter Connolly; Dean Lyon.

Centerville: E. B. Hodges, realtor; Loren Marriott, Bank of America.

Niles: Manuel Caldeira, Central Bank; Loren Godwin, P. G. and E.; Vernon Ellsworth, insurance agent.

Alvarado: Walter Oakey, Central Bank; Mrs. A. B. Hill.

Warm Springs: Mrs. Teresa Sarmento, P. O. Box 90.

Newark: Mrs. Ruth Dutra.

Mission San Jose: Mrs. Lois Botenberg, postmaster.

Decoto: Mrs. Marian Zwissig.

## ROEDING, SHINN TO SPEAK AT MEETING

The Washington Township Historical Society will hold a meeting next Thursday, April 17, at the Old Adobe at the California Nursery.

Speakers of the evening are George Roeding, who will discuss old adobe; and Joe Shinn, who will talk about the growth of Niles.

## RAINFALL BREAKS SEASONAL RECORD

This week's rainfall of 1.38 inches has broken the seasonal record set in 1941-42, Nick Pinna of Niles reported.

Rainfall to date has been 28.14 inches, as compared with the record fall 10 years ago of 27.28 inches and last year's recorded fall of 20.74.

Recordings for the week at the Southern Pacific station, Niles, where rainfall is measured, showed .62 inches on April 7, .10 inches April 8, and .66 inches April 10.

## ASK WATER RIGHTS FROM ELLSWORTH ORCHARD RESIDENTS

The owners of real estate in the Ellsworth Orchard tract of Niles this week rejected the offer of the Alameda County Water District for purchase by the district of the remaining existing water rights held by the home owners of that area.

This decision was reached Wednesday night at a meeting of the property owners.

In a letter received by them earlier in the week, the Alameda County Water District suggested the purchase of all remaining water rights existing under the Hattie B. Ellsworth-Spring Valley Water Works contract.

### AGREEMENT DATED 1877

That contract agreement, dated October 17, 1877, called for the free delivery of 100,000 gallons of water daily to some 180 Ellsworth-owned acres, part of which now constitute the residential area of Niles known as the Ellsworth Orchard. Interests and obligations of the Spring Valley Water Works, owned by the city of San Francisco, were purchased some years ago by the Alameda County Water District.

To many present-day owners of property on what was once a part of the original 180 Ellsworth acres, the water rights still exist. Transfer deeds to the property carried provisions for the right of free water not to exceed 500 gallons per acre of water per day, or approximately 125 gallons per day to owners of an average lot of one quarter an acre in the Ellsworth Tract.

However, lots do not average one quarter of an acre in the Ellsworth Tract, officials of the Alameda County Water District pointed out.

"Lots vary greatly in size," an official said, "and any proximity to what an owner's water right is worth must be computed under what he is entitled to under the (Continued on page 8)

## rites today for MANUEL BRAZIL

Services will be held this morning at 9:30 at the Chapel of the Palms for Manuel Brazil, 55, who died at his home at 121 Emerson Street, Centerville, Wednesday, following a long illness.

Interment will be at Golden Gate National Cemetery, San Bruno, where military graveside services will be conducted.

Mr. Brazil, born in San Rafael, had resided in Centerville most of his life. He had been employed as a machinist for a salt company.

He was active in numerous civic and social organizations and was a member of A.P.P.B. and S.E.S. of Newark, U.P.E.C. of Centerville, I.A.F.M., Local 284 and, as a veteran of World War I, was a member of the Washington Township American Legion Post No. 195.

Survivors include his wife, Marie; sons Ferdie of Gustine, Phil of Centerville, Edward of Newark and Lt. Rudolph Brazil, USN. His mother, Mrs. Mary Brazil, and sister, Mrs. Mary Lopez, reside in Gustine.

A funeral mass will be held at the Holy Ghost Church in Centerville at the close of Easter obligations.

## COME TO CHURCH ON EASTER

The Protestant Churches of Washington Township will hold a Good Friday Union Service this afternoon from noon to 3 o'clock in the Assembly of God Church, Thornton and Birch Avenue, Newark. There will be seven 25-minute meditations.

Other services commemorating Good Friday and Easter Sunday are as follows:

### CENTERVILLE PRESBYTERIAN

Good Friday, 8 a.m., a service of meditation, music and prayer.

Easter Sunday: 5:30 a.m., Sunrise service across from the old academy grounds on the Mission-Irvington Highway. Mr. Allan Stevens, speaker. 9 and 11 a.m., identical worship services. The anthem, "Holy City," will be sung at both services and the sermon will be "Lord of All." Young people will be received into church membership at the 9 a.m. service. 10:15 a.m., Sunday School.

### NEWARK PRESBYTERIAN

Easter Sunday, 5:30 a.m., Sunrise Service at the approach to the Dumbarton Bridge with the Newark Baptist and Assembly of God Churches.

10 a.m., Easter Morning service. 11 a.m., Sunday school. 7 p.m., Youth Group meeting.

## CENTERVILLE VOTES SCHOOL TAX RAISE

Residents of the Centerville Elementary School District last Friday voted to boost the local school tax from 90 cents to \$1.50 per \$100 assessed valuation.

School officials stated that many would-be voters were turned away because they had failed to register.

Officials have stated that though rising costs of maintenance and operation of the present school as well as anticipated additional expenditure for the new school now being erected necessitated the tax increase, there is no immediate prospect of increasing the tax beyond \$1.25. The board of trustees for the district have discretionary power to determine the actual rate within the maximum.

Voters of the Mission San Jose Elementary School District will vote May 16 whether or not to maintain that district's present \$1.30 tax rate. A \$100,000 bond issue for an anticipated expansion program is also to be voted upon.

## PLANNING GROUP FORMS COMMITTEE

A Land Planning Committee for Alameda County was formed last week by a group advocating concerted action on development and zoning problems affecting the county.

The meeting, sponsored by the Oakland Area Real Estate Council and held at the International Kitchen, was attended by representatives of the Chambers of Commerce of Washington Township and guests from Oakland, Berkeley, San Leandro, Hayward, Castro Valley, Livermore and Pleasanton.

Fred Cox of Hayward, a member of the land development committee of the Real Estate Council, stated that purpose of forming a land planning committee was to create a favorable attitude on the part of the public toward land planning and to work for an overall plan for the county.

Other speakers included Chester E. Stanley, county supervisor; Bob Wright of Irvington, chairman of the Alameda County Planning Commission, and John Thomas, engineer for the Planning Commission.

Future meetings of the newly formed committee are being planned and the date for the next meeting will be announced by Harold Frank of Oakland.

## JUDGE POSTPONES EXTRADITION CASE

Judge E. A. Quaresma Tuesday postponed hearing of extradition proceedings against Leland D. Travis, alias Robert Lee Mathews, arrested this week by deputy sheriffs at the request of Kansas State Police.

Travis, known here as Mathews, is wanted for parole violation in Kansas. He was on parole in Kansas after being convicted on two counts of forgery.

The case was postponed until April 22 to allow the defendant time to secure counsel.

## PLEADS GUILTY IN THEFT CASE

J. D. Lejunior Ruth, alias John Routh, pleaded guilty in the township justice court Tuesday before Judge E. A. Quaresma on charges of burglary. Judge Quaresma certified the case to superior court for sentencing.

Ruth was captured March 28 less than 20 hours after he had burglarized the J. V. Gould residence in Centerville of jewelry valued at \$2,000. He was working the township with a group of six itinerant magazine salesmen and had made subscription sales to neighbors of the Gould family on the day of the burglary.

The sheriff's office reported that Ruth, or Routh, has a record of previous arrests and one conviction in the east.

## TOWNSHIP CHAMBER MEETS NEXT WEEK

The township's participation in the Alameda County Fair scheduled for June 20 through July 5, will be discussed at the regular monthly meeting of the Washington Township Chamber of Commerce next Wednesday, April 16, at the Alameda County Building, Centerville.

The meeting is scheduled to begin at 7 p.m.

Col. Gene Manning, executive secretary of the chamber, stated that he expects an answer before the meeting from the city of San Francisco regarding the chamber's inquiry into the availability of the Vallejo Mills property as a Washington Township park site. The property is owned by the San Francisco water department.

Other items on the agenda include a proposal to request more complete advance information from the Alameda County Board of Supervisors and the Alameda County Planning Commission on matters appearing before them of interest to the township.

to 5 and 7:30 to 9 p.m.

Easter Sunday: Masses 7:30, 8:30 High Mass, and 10 a.m.

### CONGREGATIONAL CHURCH Niles

Easter Sunday, the Church School will meet at 9:45 a.m. for the Primary and Junior Departments. There will be shown a film strip on the Easter story.

## MICHAEL DEMANDS DEBATE ON ISSUES

Bruce Michael, Warm Springs rancher, this week challenged his opponent, Chester E. Stanley, to a series of public debates on issues confronting the county.

Michael and Stanley are candidates for the post of Alameda County Supervisor from the first district. Michael is making his first bid for public office and Stanley is seeking re-election to a third term as supervisor.

In an announcement released to The Register Wednesday, Michael said: "I feel the people are entitled to know all the facts on all local issues insofar as the coming election is concerned. Therefore, I welcome a series of public debates with my opponent, in every interested community, where issues can be discussed."

"In addition, both of us would welcome all questions from the floor," he added.

Michael, in serving notice that he will conduct a vigorous campaign for the office, this week resigned officer posts in four civic and farm organizations. He has asked to be relieved of duties as president of the Warm Springs Chamber of Commerce and Washington Township Community Chest.

He has also resigned as director of the Alameda County Farm Bureau and the Washington Township Civil Defense Committee, and has asked that another be appointed to represent the Warm Springs Chamber at the Washington Township Chamber of Commerce.

## BARKER WRITES EASTER MESSAGE

George Barker, Niles "grand old man," who recently recovered from a serious case of pneumonia at the age of 86, has written an Easter message for us, which we print on page 7.

Mr. Barker, a graduate of Oxford University and ordained in the Church of England, practices his religion daily. His message below will inspire many of us, we are sure. His own life, full of hope and kindness, is his own best example of what religion means to humanity.

### LOCAL CHILDREN ON TELEVISION PROGRAM

Television fans of the township are looking forward to the Kids Kapers show Saturday night at 6 o'clock, when several local kiddies—mostly in the four-year-old class—will appear in dancing and singing numbers.

Among those are Sandra Lowe, Gail Ann Short, Cheryl Martin, Terry Barth, and Kathleen Callahan.

## 3100 Homes Planned In Two Subdivisions

Two new subdivisions totaling 3,100 new homes for Washington Township were announced this week by builders and realtors.

Though only at the drawing board stage, every effort is being made to expedite preliminary ground and engineering surveys, the announcements stated, and the first of the two projects will be presented next week to the Alameda County Planning Commission for approval.

The largest of the two subdivisions was announced by E. B. Hodges, Centerville realtor.

"Papers were signed last Saturday evening," Mr. Hodges stated, "for the start of a 2,500 home subdivision, partly in Centerville and partly in the Newark area."

### 600 ACRE TRACT

A 600-acre tract, part of the Patterson Ranch, situated between Thornton Avenue and Jarvis Road, bordering the proposed Eastshore Freeway, is the site of the proposed building tract.

Leonardo and Sons of Hayward and John Brooks of San Leandro head a group of contractors and builders who are undertaking the project, it was stated.

"Only conventional type houses will be built in this tract," Mr. Hodges stated. "Individual plans or a large variety of standard plans will be used so this will not appear like many tracts but will be a real home area."

A shopping center is being included in the plans for the area.

Mr. Hodges stated that the proposed subdivision is a long range project but that he hoped to be able to offer the first houses in the area for sale within a few months.

### 150-ACRE TRACT

The second proposed subdivision, for 600 homes, on a 150-acre tract southwest of Centerville, was announced by James R. Meyer, San Leandro builder. Plans for this tract will be presented to the Alameda County Planning Commission for approval next Tuesday, the Register was informed.

The tract, situated between Mowry and Blacow Roads, includes the Caldeira, Rogers, Bettencourt and Berkeley Creamery ranches, it was stated. Cardoza Realtors, Centerville, are assisting in this transaction.

The houses planned will be of frame and stucco construction and will range from \$12,000 to \$25,000, Meyers announced. A shopping center, school and park are included in the plans.

### OTHERS PLANNED

Rumors of other proposed residential subdivisions in the township were also heard during the week.

Alameda County Water District officials stated they have been consulted by several promoters and builders interested in projects at Mission San Jose, Irvington and Centerville.

"The drainage and sewage problems facing promoters of subdivisions are the greatest difficulties to overcome," a spokesman for the Washington Township Chamber of Commerce said this week.

"Then approval of the county planning commission and the F.H.A. is needed," he added. "But the need for more houses in the township is very evident and the Chamber of Commerce is not only pleased to hear of the proposed projects but will gladly offer its assistance in the furtherance of the projects."

## AURELIA MARES DIES FROM BURNS

Funeral services were held Wednesday for Aurelia Mares of Decoto at the Sorenson Brothers Chapel in Hayward and at the Holy Rosary Church, Decoto. Interment was at Holy Sepulchre Cemetery.

Mrs. Mares died as a result of burns suffered when a flash fire swept her home as she was painting a room.

She is survived by her husband, John B. Mares, three children, Robert, Jacqueline and Kathleen; her parents, Mr. and Mrs. Lee Martinez; one sister, Mary Jeantet, and a brother, Ruben Martinez, all of Decoto.

## CHEST COMMITTEE CONSIDERS PLAN OF UNITED FUND

The Washington Township Community Chest Committee held an open hearing Wednesday evening to discuss the advisability of joining the newly created United Fund Inc. of Alameda County.

Pending further information from the Oakland headquarters of the United Fund and Oakland Federated Chest, the Community Chest Committee delayed formal action to associate itself with that group.

The purpose of the United Fund is to combine all fund raising drives under one agency with but one subscription and collection campaign a year.

Persons attending the meeting expressed themselves as being favorably inclined to the suggestion.

It was pointed out that the allocation of funds to local agencies would still be at the discretion of the local chest committees. It was also stated that industrial labor and management groups are favorable to the plan which would permit payroll deductions weekly or monthly thus allocating over a period of time the total contributions of an employee.

## IRVINGTON V.F.W. PLAN INSTALLATION

Joint installation of new officers of the Joseph and Stanley Bernardo Post, V.F.W., will be conducted Monday evening, April 14, at Maple Hall, Irvington by Robert Murray, chief of staff for the state V.F.W. organization.

Officers to be installed are Paul Power, commander; Victor Hernandez, senior vice-commander; Joseph Stanley, junior vice-commander; Walter Roethlin, post advocate; Richard Milatz, chaplain; Elwood Leach, quartermaster; and trustees Tarno Fudena, Antone Cunha and Clarence Dutra.

Officers announced that a social get-together will follow the installation and that no business meeting will be held.

The Irvington post this week voted against the purchase of a building and decided instead to erect their own club headquarters.

## HAPPY EASTER

Easter showers,  
Easter day,  
Easter flowers,  
Easter gay!

## OTHER FELLOW BANQUET

Ad Schuster, the "Other Fellow" of the Tribune, was greatly honored at the 26th Annual Poets dinner held in Berkeley Saturday night. After the banquet, a testimonial poem composed especially for the occasion, was read by Author Mon Moore. Then Chairman T. M. Atkinson introduced many of the poets whose work can be read on the last page of the Tribune. It was fun to meet Elma Dean, B. Jo Kinnick, Kay de Bard Hall, Gretchen van Rumble, Or-thella Lillie, and many others whose verse we have enjoyed for so long.

The speaker of the evening, Ruth Comfort Mitchell, entertained us wittily with anecdotes about and selections from poets that she knows. One parody upon a famous poem went like this:

"Between the Taft and the Truman When the votes are beginning to sour,  
There comes a pause in the conflict  
Which is known as the Eisen-hower."

Not all of those present were poets, of course, but among those attending were interested people from San Jose, the Peninsula, Marin County, San Francisco, the Oakland-Berkeley area, and even

Los Angeles. From the township were Mrs. Gladys Williamson, Mrs. Kenneth Foster and Mrs. J. A. Legro.

## DANCE? PLAY? SING?

The P.T.A. will sponsor a carnival to be held at the Irvington School Auditorium on Friday and Saturday nights, April 25 and 26. Mrs. Joe Burned, chairman of the event, wants a big turnout of all local talent for the show. While we may not all be professional performers, surely there is some-one among us who likes to sing, dance, or play upon the guitar. Were you on the debating team? Then you could learn dialogue. Did you like to sing around the piano? Then you could sing in a group. How many tap steps do you know? Come to rehearsal and brush up on some new ones. Next rehearsal will be Tuesday night at 8 p.m. in the auditorium.

## CHANGE IN LEADERS

The Brownie Troop, formerly led by Mrs. Earlene Maloney and Mrs. Bob Brown, now has Mrs. Arlene Milatz, Mrs. Gregory and Mrs. Alene Bass for leaders. These are lucky girls having such interested mothers. Do you know that there are many little girls who would like to be Brownie Scouts but that there are no leaders for them?

## BOY SCOUTS MEET

The Irvington Boy Scouts have their weekly meetings on Monday nights. The Boy Scout Council, which formerly met on the first Wednesday of the month, now hold its discussions on the second Tuesday. This is to accommodate Bill Maloney who now helps out at the Irvington Youth Center on Wednesday nights. This is the type of cooperation that really helps the community.

## END OF TV COURSE

Last week Mrs. Joe Burned was the hostess for the P.T.A. sponsored psychology course. Terry served a barbecue lunch after the lesson and discussion. This, the final week, will see Mrs.

Fred Kuhne as the hostess. The last class was held Tuesday and the final exams on Thursday. This course gives a college credit not to mention its benefit on parent-child relations.

## VACATION VISITORS

Little Dana Carol, daughter of the Bill Kruegers of Concord, is visiting her grandparents, the L. W. Kruegers of Roberts Avenue. Staying with the Joe Burneds for the week is Darla Roberts, who is their niece.

## ST. JUDE INSTITUTE

At the regular meeting of St. Jude's Institute, Y.L.I., held last Tuesday night, the most eagerly awaited "business" was the awarding of the brimming-over grocery basket. Also the members discussed plans for their booth at the School Carnival—a fish pond—with Mary Churk as chairman.

## PAST PRESIDENTS CLUB

The Past Presidents Club of St. Jude Institute is the organization that held its election, not the Y.L.I. as was mistakenly stated, and I apologize. Now that I have learned more about their agenda, I know that the Y.L.I. has its installation in June, but the Past Presidents Club will hold installation ceremonies next Tuesday at Mae Avila's home. Bernice Enos will preside.

## Y.L.I. DISTRICT MEETING

Officers selected for the Y.L.I. District meeting in San Leandro April 18 are Genevieve Freitas, Antoinette Pimentel and Rose Marshall.

## EASTER WEEK GUEST

Mrs. Thomas Smith of Watsonville will return home Sunday after spending the week with Mrs. Walter Connolly.

## EASTER AT IRVINGTON

Tomorrow, Saturday, at 2 p.m. will find the children of the Irvington Sunday School rehearsing for their Easter program. After rehearsal the youngsters will eat eggs, and refreshments will be served. The senior department will meet at the same time for their part in the program.

Special Easter services will follow the Sunday School program, and each will be held at their regular time. All parents have been invited to the primary department at 10:30 a.m., although the children will convene at the regular time of 10 a.m. Easter Sunday worship services will be at 11:15 a.m.

## Where's the Fire?

Thursday, April 3, Decoto, 4:53 p.m., shed by Olson's Store, 11th and I Streets.

Sunday, April 6, Niles, 2:30 a.m., car fire in Niles Canyon.

Monday, April 7, Newark, 11:30 a.m., chicken shed on Mayhew Landing Road.

Monday, April 7, Irvington, 8:20 a.m., inhalator call.

## NEWARK News Notes

## SUCCESSFUL PROJECT

When the cancer film was shown last Tuesday there were 69 women on hand to view it. This meeting was open to any woman interested. Dr. Merle Buehler from Centerville lectured and answered questions on the subject.

Following the movie, Mrs. Lamoreux spoke on the Girl Scouts' need for funds. The Improvement Club donated \$100 to the organization. This was to be divided between the district and the local fund.

## VACATIONING

Mr. and Mrs. Tom Marshall and family, accompanied by Miss Erle Mae Sloan, are in Oklahoma visiting relatives. They made the trip by automobile.

## BLOOD-MOBILE AT NEWARK

The Mobile Blood Bank will visit Newark on Monday, April 21. It will be located in front of the fire house. All those who will be able to donate a pint of their blood may contact Mrs. Bud Patterson. The phone number is Newark 3-3585.

The coming of this unit to Newark offers the people of the town a direct challenge. Many of the boys from Newark have been called into the service. It is up to those here at home to give these boys support. A good turnout is expected.

## WHO'S THE NEXT BRIDE?

According to an age-old custom, the person catching the bride's bouquet will be the next bride. At the wedding of Bob Gopel and Barbara Stevenson last Sunday, which Mr. and Mrs. Paul Gyax attended, one of the lucky guests caught the bride's bouquet. Could it be that Mr. Paul Gyax is to be a June bride?

## BANK SIGN-UP DAY

On Saturday, April 19, the people of Newark will be asked to express their opinions concerning the possibility of a bank. This project is one of the most important of the Chamber of Commerce at present. A bank is one of the establishments which Newark has been in need of for many years. A form will be made available to those interested which will ask whether or not they would trade with the bank if it were established.

## RECUPERATING

Miss Yvonne Calderia underwent surgery Thursday at the Merritt Hospital. She has been ill for some time. Her friends wish her the speediest recovery possible.

## EASTER EGG HUNT

The Brownies met at the home of their leader, Mrs. Leo Bohannon, last Wednesday. The Easter Bunny gave a preview of next Sunday's activities. The girls spent the afternoon hunting for colored eggs which he left.

## BARNARD P.T.A. NAMES OFFICERS

Mrs. Frank Oberto of Hillview Crest was elected president of the newly organized Barnard Elementary School P.T.A., sponsored by the 16th District Congress of Parents and Teachers and the Phoebe Hearst Council.

The new group will meet on the third Wednesday of each month at 3 p.m. at the Barnard School, Decoto.

Other officers named were: Mrs. D. Haverstick, first vice-president; Boyd Morningstar, school principal, second vice-president; Mrs. Harold Strauel, secretary; Mrs. Cleo Randall, treasurer; Clarence Joergensen, auditor; Mrs. Frank Margarido, historian; Mrs. Louise Fine and Mrs. John Le-Bloch, delegates; and Mrs. Richard Libbach and Mrs. Ted Proffitt, alternates.

## CALL FINED \$50

Wesley U. Call, discharged Korean veteran, pleaded guilty to a violation of the alcoholic beverages control law and was fined \$50 and placed on probation by Judge E. A. Quaresma in the township justice court this week.

Call, a resident of Hayward, was arrested by officers of the Centerville sheriff's substation and admitted furnishing intoxicating beverages to two teen-age boys, one of whom he claimed was his cousin.

## BOXING CARNIVAL SET FOR APRIL 18 AT HIGH SCHOOL

Eleven bouts by aspiring perspiring fly-weights to light heavy-weights will be the card line-up for the eleventh annual intramural boxing carnival to be staged by the students of Washington Union High School next Friday, April 18.

The event, to be held in the school's gymnasium starting at 8 p.m., climaxes the school's yearly boxing program under the direction of Coaches Robert Hird and Clyde Voorhees.

The scheduled matches in weight classes from 95 to 170 pounds will be three rounds each. Sam Della Maggiore has been named referee. Admission fee for adults will be 60 cents and 25 cents for students.

The card line-up for the event is as follows:

Al Rodriguez vs. Don Martin, 105 pounds.

Paul Zeisse vs. Charles Smith, 170 pounds.

Dick Guerra vs. George Cole, 150 pounds.

Joe Wiltz vs. Vernon Roberts, 105 pounds.

Sal Carillo vs. Fred Vizcarra, 118 pounds.

Ben Lopez vs. Gerald Wiltz, 120 pounds.

Dave Martin vs. Frank Galvan, 135 pounds.

James Andrade vs. Fernando Avila, 135 pounds.

Joe Cordova vs. Marion Her-moso, 150 pounds.

Les Brown vs. A. C. Bradley, 147 pounds.

Dan Encallado vs. Grable Ramirez, 130 pounds.

On Thursday afternoon, teasers will be shown to the students. The bouts are as follows:

Dan Jackson vs. Leon Mings.

Conrad Preciado vs. Herman Rocha.

Bob Lewis vs. James Sanford.

Marce Campa vs. Rex Cordova.

## CHAMBERS DINNER AT HAWAIIAN GARDENS

The Centerville and Irvington Chambers of Commerce will hold a dinner-dance at the Hawaiian Gardens in San Jose on the night of April 23. Members are permitted to invite guests.

Coffee trees bear full crops six years after planting.

## BRITISH SPEAKER AT MEN'S CLUB

G. Johnson Smith, deputy director of the British Information Service at San Francisco, will be principal speaker at a meeting of the Men's Club of Washington Township on April 17.

Smith is a graduate of Oxford University and served with the Royal Artillery in Belgium and India during World War II. He was graduated from Oxford in 1949 where he majored in political science, philosophy and economics. He was assigned to the British foreign service in 1950 and came to San Francisco that year.

The meeting will commence with a dinner at 6:45 p.m. at the International Kitchen, Niles, A. E. Alameda, president of the club, announced. Peter D. Juhl of Niles is program chairman for the affair.

A prehistoric camel, much larger and taller than modern camels, inhabited the Bay Region in the early Pliocene era.

**Their performance proves their pedigree!**

You'll like the way International Trucks prove they belong in a famous family.

They prove it by the way they put their backs into a job. They prove it with a wiry toughness that is the result of 45 years of heavy-duty truck building experience. They prove it by cutting costs, by being easier to handle.

Our International Trucks prove all that and a lot more. May we show you why?

You can't beat these International Truck exclusives:

- All-truck engines—built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road" —the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling and 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job . . . 115 basic models, from 1/2-ton to 70,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

International six-wheel models are available in GVW ratings from 22,000 to 70,000 lbs.

Born at the Decoto Medical Building on March 31 was Donald Montanez. He tipped the scales at 5 pounds and 9 ounces. His twin brother, Johnny, was born at the Civic Center Hospital in

Oakland. He tipped the scales at 5 pounds and 13 ounces. Both boys are identical. They are the children of the Arnold Montanez of Third Street. They have one other son.

## FROM PLACERVILLE

Visiting from Placerville during the Easter vacation are George and Flora Fields. They are spending the week with their parents, Mr. and Mrs. George Fields of Eleventh Street.

## NO FIRE DAMAGE

A rubbish fire immediately extinguished by the Decoto Fire Department volunteers in the backyard of the J. L. Olson Grocery last Thursday afternoon at 5 did no serious damage.

## RECENT VISITORS

Recent visitors at the J. J. Cordeiro home on Friday were Mr. and Mrs. Frank Perry of San Jose, and on Sunday they entertained Mr. Stanley Brown and his mother from San Francisco.

## SUCCESSFUL TRIP

Another successful trip is chalked up for Charlie Janeiro and George Smith, who returned home Saturday with a nice catch of fish.

## NEW ARRIVALS

Recent arrivals at the Decoto Medical Building have been:

Charles Guerrero II, son of Mr. and Mrs. Charles Guerrero Jr. of 506 Seventh Street. The baby tipped the scales at 9 pounds at the time of his arrival on April 2. This is their first child.

Born on April 4 was Steven Garcia, son of Mr. and Mrs. Martin Garcia of 307 Sixth Street. This is their fifth child. He tipped the scales at 8 pounds and 4 ounces.

Also arriving on April 4 was Kenneth Thomas Gors, son of Mr. and Mrs. Edward Lewis Gors of 21409 Western Boulevard. He weighed 7 pounds and 15 ounces. This is their second child.

## MEETING POSTPONED

The Decoto P.T.A. postponed their regular meeting a week from their scheduled meeting day. Their next meeting will be held on April 16 at 3 p.m. at the Decoto School auditorium. At this time election of officers for the coming year will be held. It is also announced that they will hold a whist party on Friday, May 2, at the Decoto School, at 8 p.m. The public is invited. Tickets are now available.

## IT'S SAID . . .

Whispers are being said around that Johnny Bolivia was called into the Marines several weeks ago and is now training in San Diego.

And that Manuel "Brownie" Monte will leave for several months to work up north for the Underground Construction Company.

## IN BOSTON BOUT

Raul Villarreal, outstanding slugger from Decoto, is making his first appearance out of the Bay Area in Boston in the 64th annual national AAU tournament. There will be 150 boxers trying for the ten crowns at the three-day run which fell on Monday, Tuesday and Wednesday of this week.

## MEETING NOTICE

It has been announced by Mary Cardoza, president of the Lady of Our Holy Rosary Guild, that this month's meeting will be held next Tuesday, April 15, at 7:30 p.m. The meeting was postponed a week because of Holy Week.

## HOME FROM OVERSEAS

Home after being overseas for 15 months is Henry Pagan, son of Mr. and Mrs. Ramon Pagan. "Hank," after enjoying a 30-day furlough, will report for duty again at a camp near Bakersfield.

He is with the Army Air Force.

## ON LEAVE

Also home on leave is Tony Ramos who was training in San Diego. It's certainly good to see all of you boys home again.

## LICENSES SUSPENDED

Five township residents had their driver's licenses suspended by the State Department of Motor Vehicles, it was recently announced by the department. The five listed were: N. K. Anderson, Joe Gonzales and Alvin Gonzales, all of Niles; F. R. Stoken of Decoto, and Arthur F. Kraft of Irvington. The license of O. A. Lutton of Niles was reinstated, the department stated.

California produces more than 200 different farm crops.

## ACCEPTS PASTORATE AT BAPTIST CHURCH

The Rev. Noel Glover has accepted the pastorate of the First Baptist Church in Niles, formerly held by Rev. Robert G. Kay, who resigned recently.

Rev. Glover has been pastor of Trinity Baptist Church in El Cer-

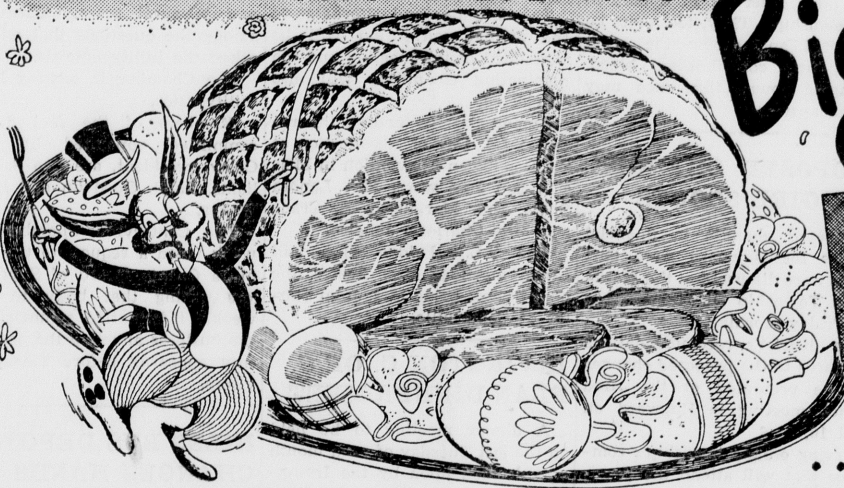

rito the past 20 months. After the present school term is over, he plans on moving his wife, Helen, and son, Terry, to Niles. Mr. Glover attended the Bay City Bible Institute and the Western Baptist Bible College.

## 4-H CLUB STUDIES POULTRY RAISING

All phases of poultry raising  
were covered by Niles 4-H Club  
members on a field trip Monday.

The trip began with observa-  
tions of feed preparation at the  
Hayward Poultry Producers As-  
sociation. The next stop was the  
Poultry Producers of Central Cal-  
ifornia, also in Hayward, where  
they watched egg candling and  
grading.

Following a stop for a picnic  
lunch at the Hayward Park, the  
tour was concluded by a visit  
to the Kimber Poultry Breeding  
Farm in Niles. Enjoying the trip  
were: Gil Whipple, Larry and  
Richard Robbins, Bruce and Kirby  
McMasters, Teeter and Diana Mer-  
ril, Janetta Martin, Margaret Ten-  
nyson, Lovell and Patsy Scott,  
Diane Wood and Madeline Heind-  
rick.

Last Thursday 4H members were  
taken on an industrial field trip  
in Oakland, and have recently en-  
joyed a tour of the P. G. & E.  
sub-station.

## NEWARK TO HAVE BLOOD DONOR DAY

Departing from the usual pro-  
cedure of having the mobile unit  
come to Niles on blood bank day,  
the next blood bank donor day  
will be held in Newark, at the  
firehouse, on April 21, according  
to an announcement this week  
from Mrs. Allan Walton, blood  
procurement chairman.

The hours have been set from  
10 a.m. to 4:30 p.m.

"In changing the locale," said  
Mrs. Walton, "we hope to get  
donors from the big industrial  
companies in Newark, who may  
find it more convenient than com-  
ing to Niles. At any rate," she  
continued, "we are sure that by  
changing towns we will tap new  
sources of blood supply. We can-  
not ask the same people over and  
over again to contribute. There  
is a large reservoir of donors in  
the township. They, too, must be  
contacted and shown the great  
need for contributing blood.  
Changing towns this once may  
be the answer."

## DE GUADALUPE WILL FETE ANNIVERSARY

On Thursday evening, April 17,  
De Guadalupe Institute, Y.L.I.,  
will celebrate the 36th anniversary  
of its founding with a pot luck  
supper preceding the meeting.

The Institute will present 25-  
year pins to the following hon-  
ored guests of the evening: Mrs.  
Helen C. Rogers, Mrs. Hazel Rod-  
erick, and Mrs. May Fields Miller.  
There are but four charter mem-  
bers remaining: Mrs. Mae E.  
Moore, Miss Evelyn Garcia, Mrs.  
Mary Duarte and Mrs. Carolyn  
Orcutt.

The committee in charge of ar-  
rangements for the anniversary  
celebration is as follows: Mrs.  
Elinor R. Azevedo, chairman, Mrs.  
Marie Brown, Miss Mary Azevedo,  
Mrs. Mayme Roderick, Mrs. Irma  
Brown, Mrs. Mangie Vargas, Mrs.  
Mary Flores, Mrs. Annie Flores,  
Mrs. Lenora Silva, Mrs. Helen Gu-  
larte and Mrs. Nellie Richmond.

The delegates and alternates to  
the annual convention will be  
nominated at the meeting and the  
nominating committee will also  
be elected.

Among those attending the re-  
cent Y.L.I. Day of Recollection at  
the Dominican Convention in Mis-  
sion San Jose were: Mrs. Lenora  
Silva, Mrs. Marguerite S. Crane  
and Miss Charlotte Janeiro.

The Y.L.I. Bridge Club will  
resume meetings after Easter, the  
next hostess being Mrs. John San-  
tos of Centerville.

## IRVINGTON C. OF C. PLAN DINNER MEET

A dinner meeting to be held  
on the last Tuesday of each month  
was decided upon by the Irving-  
ton Chamber of Commerce at its  
meeting this week.

Members and prospective mem-  
bers of the Chamber have urged  
that such a meeting be held, as  
many felt they could not attend  
the regularly scheduled Tuesday  
noon meetings.

Walter Connolly, president, an-  
nounced that special programs for  
the evening meetings will be ar-  
ranged. The first dinner meeting,  
set for April 29, will devote itself  
to a discussion of flood control  
and speakers have been requested  
from the Alameda County Plan-  
ning Commission.

## UTILITY OFFICIALS TO EXPLAIN RATES

Peter D. Juhl of Niles and Ken  
Porter of Hayward will answer  
questions concerning local gas and  
electric rates posed by members  
of the Centerville Chamber of  
Commerce at the Chamber's meet-  
ing scheduled next Monday noon  
at the Do-Nut Nook in Center-  
ville.

The two speakers, both officials  
of the Pacific Gas and Electric  
Company, were invited to address  
the Chamber and answer questions  
as part of the Chamber's inquiry  
into utility rates now in effect in  
the Centerville area.

A fact finding committee of the  
Chamber was appointed two weeks  
ago to question the differ-  
ence of rates existing on opposite  
sides of the same street, why rates  
are higher in unincorporated areas  
and in rural areas. These are  
among the questions that will be  
asked the utility officials.

The Chamber is seeking lower  
utility rates.

Members of the fact finding  
committee appointed by Jack  
Coley, president, are Lee S. Wil-  
liams, Ralph Goodwin and Harry  
Weber.

The Centerville Chamber this  
week voted a request to the Ala-  
meda County Board of Supervisors  
asking that body to send  
weekly information summaries of  
the business affecting the commu-  
nity appearing before the super-  
visors.

## NILES BUS DEPOT CHANGES HANDS

Mr. and Mrs. Franklin Patchett,  
owners of the Peerless Stages  
Depot in Niles, this week announ-  
ced they have sold the business  
to Mr. and Mrs. Manuel Silva of  
Niles.

The Patchetts, who have op-  
erated the business for the past five  
years, said this week their future  
plans are indefinite, although they  
expect to "take a good long rest,"  
before getting into any other en-  
terprise. They came to Niles from  
Oakland.

With the purchase of the bus  
depot, the Silvas now own all  
three businesses in the Alberg  
building on Main Street—the Bus  
Depot, the Columbia, and the Niles  
Recreation Center.

**NILES FIRST AID CLASS**  
Detective Everett King of the  
Alameda County sheriff's force  
will conduct classes in first aid  
beginning Monday, April 14, at  
7:30 p.m., at the Niles Elementary  
School, civil defense training offi-  
cials announced this week. Per-  
sons interested in receiving such  
instruction are urged to attend  
the opening session.

The Golden Gate Bridge is the  
longest and highest single span  
suspension bridge in the world.

## TELEPHONITIS

THINGS THAT HAPPEN TO  
ME department—finally getting  
the operator, after a long wait,  
then forgetting the number I was  
calling.

This isn't quite as bad as other  
telephone habits I've had in the  
past however, among which is  
calling someone on the phone, then  
relaxing and start to wool-gather-  
ing. When the person answers, I  
stutter and stammer helplessly, not  
remembering whom I've called.  
This can be most embarrassing.  
All I can say is, "Who is this?"  
which must sound pretty silly.

Now that I've started I may as  
well go on. My MOST embarrass-  
ing moments have arisen when I  
have gone through the phone book  
at random—calling strangers for  
news—only to have a male voice  
answer, when I expected a female.  
When I ask if Mrs. Whoosiz is in,  
the reply has been—in several  
cases—"There is no Mrs. Whoos-  
siz," quite indignantly.

A couple of times I have made  
things worse by replying, "Oh,  
I'm terribly sorry," to which the  
indignant male has replied, even  
more indignantly, "Oh, you needn't  
be sorry. I'm not suffering."

## BLACK 'N WHITE 'N . . .

Melford Alameda, over in Japan,  
reads the Register thoroughly, and,  
apparently, from cover to cover—  
just as do the other service men.

Melford takes exception to some-  
thing that was in the Register a  
few weeks ago, concerning an item  
we had about our "mystery" man  
of the week, who, that week, hap-  
pened to be Jack Coley.

In the article I stated that the  
Coley brothers were the only  
brothers in the history of Wash-  
ington High to both hold office as  
Student Body president.

Melford wrote to his mother—  
"guess they forgot about the Ala-  
meda brothers."

So now we report that both Har-  
old (now in Germany) and Mel-  
ford were student body presidents.

I'm glad to correct this mistake,  
and also glad that Melford is read-  
ing the Register so thoroughly.

He even writes back to his dad  
concerning ads he's read in the  
Register, wanting to know if his  
dad has seen a particular bargain!

**LITTLE GIRL, WHAT NOW?**  
Cliff Dennis, local manager for  
Citizens Utilities, spends consid-  
erable time at the Shinn plant, test-  
ing water meters.

He quite often is entertained  
while there by a four-year-old  
moppet, who is a counterpart of  
the little girl on the Fibber McGee  
radio program. "Whatcha doin',  
mister? Huh? Whatcha doin'?"  
is her routine.

The other day she patted him  
on the back of the head, while he  
was leaning over. Then she came  
around and faced him, looked up  
at him curiously, and said, "Why  
have you got a hole in your hair,  
mister, huh?"

Don't you think that's a much  
nicer way of referring to a man  
—er—dilemma than the usual  
"bald" statement?

## L'ENVOI

After reading Eddie Silva's fare-  
well poem in his ad this week,  
I'm sure he ought to be invited to  
the poets dinner next year. What  
he has to say about the OPS will  
probably strike a resounding chord  
in the hearts of many other mer-  
chants.

Anyhow, now that Eddie's given  
up butchering, he might try writ-  
ing verse for a living. The OPS  
hasn't interfered with verse-writ-  
ers—yet!

## OPEN HOUSE AT READING ROOM

The First Church of Christ,  
Scientist, in Niles is holding an  
"open house" in their new down-  
town reading room at 744 First  
Street, on Sunday, April 20, from

## AN OPEN MESSAGE TO MY CUSTOMERS

I tried so hard to make a living,  
I tried so hard each day.  
With never a minute for laughter,  
And never a minute for play.

I toiled and slaved and wept and worked,  
Spurred on by a great ambition.  
Until I met my Waterloo—  
The Office of Price Stabilization.

A copy of this, a copy of that.  
Orders — Amendments — Delays.  
I couldn't cut this, I couldn't cut that,  
Gee! What can the little man say.

Week after week, I made my choice  
Of lamb, pork, beef, and veal.  
I'd look at my invoices—rub my eyes—  
EEK!! Are you for real???

I guess I'm just not big enough  
To carry such a load.  
So on April 12th, I'll pack my gear  
And quietly hit the road.

I'm going to play a little while,  
I'll ignore the great ambition.  
I'll smile and say, "It's all yours now,  
Dear Office of Price Stabilization."

I want to thank you friendly folk,  
This is what I have to tell—  
"I'm going to miss you very much,  
You surely have been swell."

"I certainly hope in time to come,  
When everything is sounder.  
Again I'll see your friendly face,  
To greet me across the counter."

(Signed) EDDIE SILVA

### Mrs. Florence Hale To Marry Sunday

Mrs. Lewis Adams and Mrs. Gladys Hindmarsh were co-hostesses at a shower given last night (Thursday) for Mrs. Florence Hale, former Niles resident now living in Hayward, who will become the bride of Mr. George Anderson of Niles on Easter Sunday. The party was held at the Adams home in Irvington.

Over 40 were present at the shower, most of them members of the Silver Star Rebekah Lodge of which Mrs. Hale is a past noble grand.

The scene of the wedding will be the Reorganized Church of Jesus Christ of the Latter Day Saints in San Leandro. The ceremony will be performed at 4:30.

After their wedding the couple will make their home in Niles.

### Family Gathering On Easter Sunday

Mr. and Mrs. L. Van Buskirk of Irvington will have a houseful of company over Easter, including their daughter and family, Mr. and Mrs. Cruz Arellanes and three children of Oakland, their son and his wife, Mr. and Mrs. Robert Van Buskirk of Hayward, and another daughter and family, Mr. and Mrs. Earl Fields of Irvington. Another son, Captain George Van Buskirk, with the Air Force in Albuquerque, and his wife and four children, will be the only ones missing.

### It's a Boy

It's a boy for the John Terrys (Ebba Rae Benbow). Mr. and Mrs. Ray Benbow of Irvington, the happy grandparents, are eagerly awaiting the day when they can get their first peek at their little red-headed grandson.

He was born last Sunday at Merritt Hospital and weighed 8 pounds and 1 ounce. The Terrys live in Oakland.

### Into New Home

Mr. and Mrs. Ruel Brown and family moved into their brand new home last Sunday, located on Second Street, opposite the Niles school.

### Models in Show

Susan Carol Silva, daughter of Marge Silva of Centerville, modeled at the Royal Neighbors Fashion show Monday night in Hayward. Marge Silva, Mrs. Walter Texera and Mrs. Joseph Maciel attended the show.

After the fashion show, homemade cakes and coffee were served.

### In Santa Barbara

Mr. and Mrs. E. D. Bristow and daughter, Mary Virginia, were in Santa Barbara this week, where Mr. Bristow attended the Superintendents Convention of California Administrators Association. They also attended a music festival while there. They made the Biltmore Hotel their headquarters.

### Family Easter Dinner

Mr. and Mrs. Henry P. Machado of Centerville are entertaining their daughters and families: Mr. and Mrs. Vernon Brown and children, Hank, Dennis and Mary Lou, and Mr. and Mrs. Edgar Van Scoy, Schuyler and Rebecca, for dinner on Easter Sunday. It is Mr. Machado's birthday, so the celebration will serve a double purpose.

### Mission Couple Return from Europe

Mr. and Mrs. Allen Starr, who returned only a couple of weeks ago to their ranch at Mission San Jose from a trip to Europe, are already embarking on another venture. This one will carry them no farther than their own ranch, however, for next week—weather permitting—construction will begin on their new ranch home, to be built on the same property.

During their stay in Europe, they spent most of their time skiing in Switzerland, and had one very exciting ski run when they got caught in a blizzard in the Alps.

Mrs. Starr, born in Europe, hadn't been there for twelve years, and was amazed — although of course she had heard—the way the women outnumber the men. "In every resort where we stayed," she said, "there were about seven women to every man."

Before flying back to America, they spent a few days in Paris, dining at the famous Paris cafes, taking in the shows, and—for Mrs. Starr—attending a fashion show of the famous Dior.

### The Father is Doing Fine!

Corpsman Albert Figueroa, son of Mrs. Vera Costa of Irvington, has the very unusual privilege of taking care of his own baby daughter in the hospital!

The little girl, weighing 6 pounds and 9 ounces, was born at Oak Knoll Hospital Sunday morning. Corpsman Figueroa, on the Pediatric ward at Oak Knoll, is caring for his own baby daughter along with 30 other babies. What a lucky break for little Marcy Lee Figueroa and her mother, who has an adjoining room.

### Motoring to Oklahoma

The Register will be without one member of its staff for the next two weeks. Henry McMahan, printer and linotype operator, left last night (Thursday) for Oklahoma, where he will visit with his brother in Mangum and father in Pond Creek. He is making the trip by car with a friend from Southern California. It has been several years since "Mac's" last visit with his relatives.

### DECOTO GROUP HEARS PIONEER DAUGHTER TELL OF LIFE IN HISTORICAL PAST

By ETHEL AVILLA

Mrs. Maurice Marks entertained members of the Decoto Discussion Group in her beautiful new home in the Mission last Wednesday.

After a delicious luncheon, the group had the opportunity of getting better acquainted with the honored guest of the afternoon, Mrs. Anna Ward Blake of Alameda, who is Mr. Mark's mother, and daughter of Lt. Ben Ward who served as a Yankee in the U. S. Army during the Civil War. He was also contemporary scout of Buffalo Bill Cody and Wild Bill Hickock.

Mrs. Blake made interesting comments about pioneer life as she knew it as a young girl, and

of her father and the part he played during that period in history.

Mrs. Marks read the text of an interview a correspondent of the Denver Post had had with Lt. Ward after his retirement in 1926. In it Lt. Ward was cited for his bravery and courage shown in the dangerous work he was engaged in.

In collaboration the group read "The Last of the Great Scouts," written by Buffalo Bill's sister, Helen Cody Wetmore.

Mrs. L. W. Musick will head the next meeting to be held at the home of Mrs. Florence Wallace. Mrs. Musick has chosen "Little Britches," a book of travel by Ralph Moody.

### Newark Couple's Engagement Told

A birthday party last Saturday night for Jack Gaunt at the home of Mr. and Mrs. Joseph Trinidad of Newark also turned out to be an engagement announcement party. The Trinidads announced the engagement of their daughter, Rosemary, to Jack.

Rosemary, a graduate of Washington High, is also a graduate of San Jose State, where she took a merchandising course. She is now employed in San Jose.

Jack, son of Mr. and Mrs. Everett Gaunt of Newark, is a music major at the College of the Pacific in Stockton, in his junior year. He is affiliated with Alpha Kappa Phi and Phi Mu Alpha fraternities.

Wedding plans of the couple are indefinite.

### Book Review Tea Next Thursday

The "Book Review Tea," scheduled to take place at the Country Club in Centerville next Thursday, April 17, at 2 p.m., is considered to be one of the highlights of the social calendar for the spring.

Mrs. Lloyd Truman, well-known bay area book-reviewer, and daughter of Mrs. Dora Mae Scudder of Niles, will give the program. She will be assisted by Mrs. Leona Elrod, with selections on the harp.

The public is invited to attend.

### 20-30 CLUB HEARS HAYWARD SPEAKER

Twenty-two men attended the second organizational meeting of the 20-30 Club held at the International Kitchen, Niles, Tuesday evening.

Fred Schafer of Hayward was guest speaker and outlined to the prospective members the history and purpose of the state organization.

The next in a series of eight organizational meetings will be held next Tuesday at 7 p.m., at the International Kitchen. Dr. H. P. Struble of Hayward will show pictures taken on a recent trip to Africa. The business session will include budget discussion and program announcements with a club program committee to be appointed.

All men between the ages of 20 and 35 are invited to attend.

## COUNTY RELIEF ROLLS ARE DOWN

Relief in Alameda County continues leveling off, with the February, 1952, rolls showing 26,309 people receiving direct aid, compared with 27,131 in February, 1951, California Taxpayers' Association reported this week.

Aid to the needy aged went to 15,274 people in the county for February, 1952, compared with 15,395 for February, 1951.

Aid to the needy blind was paid to 582 persons last February, compared with 545 for the same month in 1951. For the partially self-supporting blind, aid was paid to 84 for February, 1952, compared with 85 for February, 1951.

There were 7,258 children on the aid to needy children rolls of the county for February, 1952, compared with 7,418 for February, 1951.

General county relief showed 3,111 people on the county's rolls for February, 1952, compared with 3,688 for the same month of 1951.

Statewide, there were 480,198 people on the relief rolls for February, 1952, a figure slightly below the 493,677 reported for February, 1951, the association said.

## COMMUNITY PICNIC PLANNED BY J.A.C.L.

The annual community picnic of the Southern Alameda County Chapter of the Japanese American Citizens League will be held Saturday, April 19. On that day a car caravan will meet at the Warm Springs Elementary School and set out at 8 a.m. for Sunset Beach.

A program of special events including fishing and clamming, has been planned for the day. Those attending have been asked to furnish their own lunch and refreshments.

James Fudena, general chairman for the event, has extended an open invitation to residents of the township.

## FILMS TO BE SHOWN

The showing of two colored films will highlight the pot luck dinner of the Southern Alameda County Branch of the American Begonia Society to be held at 6:30 p.m., April 17, in the Hayward High School cafeteria.

The pictures to be shown are "Orchids in Hawaii" and "Better Camellias and Azaleas." A business meeting will follow the dinner. A fee of \$1 for adults and 50 cents for children is being charged to cover the expense of the film.

## Here's A Tip On Gasoline Quality

Some gasolines are refined to stress one or two special features... at the expense of others. No gasoline gives you all-around performance unless it has 8 important qualities... 8 that make Chevron Supreme:

- Full power
- Economy mileage
- Anti-knock
- Quick starting
- Fast warm-up
- Smooth acceleration
- Vapor-lock prevention
- Area-blending

And because Chevron Supreme does have these 8 essential qualities, it's better balanced and thus more dependable under any conditions, anywhere in the West.

Give us a call today. We'll see that your bulk tanks are filled promptly. Judge for yourself what a difference Chevron Supreme Gasoline makes in your driving.

## LEGAL NOTICE

**ADVERTISEMENT FOR BIDS**  
Notice is hereby given that the DECOTO FIRE DISTRICT, Decoto, Alameda County, California, will receive sealed bids for furnishing of all labor, materials, equipment, transportation and services for the erection of a one-story, reinforced masonry and wood frame fire station, including yard work, grading and paving, and a 30 foot steel flag pole for the Decoto Fire District, on property owned by the District in town of Decoto, Alameda County, California, until 8:00 o'clock P.M., Pacific Standard Time, on Wednesday, April 23rd, 1952, at the meeting room in the fire station presently occupied by the District in the town of Decoto, California.

Each bid shall be in accordance with plans, specifications, surveys and other Contract Documents now on file at the office of the County Clerk in the Alameda County Courthouse, Oakland, California, at the station of the Decoto Fire District, and at the place of business of Mr. A. A. Amaral, a Commissioner of the Decoto Fire District.

Copies of the documents are obtainable at the office of LARUE SORESEN, Box 1304, Carmel, California, or 372 North 14th Street, San Jose, California, and are available to General Contractors and to sub-contractors who are bidding on all or a large portion of the work, by depositing Twenty Five Dollars (\$25.00) with the Owner for each set so obtained.

General Contractors should try to limit themselves to two (2) sets and sub-contractors with one (1) set.

The deposit will be refunded when the plans and specifications are returned to the Owner within six (6) days after the bid opening, provided that the complete set of drawings and specifications is returned.

Bidders are hereby notified that pursuant to the laws and regulations of the United States Department of Labor, the Statutes of the State of California or local laws thereto applicable, the Decoto Fire District, Decoto, Alameda County, California, demands that for any classification or group of classifications of crafts or for apprentices that not less than the minimum prevailing wage will be paid for work on this project. The same is true for per diem wages, rates for legal holidays and overtime work.

Deductions from wages are allowed for:

Federal Old Age Retirement Benefit  
State Unemployment Compensation  
Federal Withholding Tax.  
No other deductions may be permitted unless authorized by provisions contained in the Kick-back Regulations of the United States Department of Labor.

It shall be mandatory upon the Contractor to whom this Contract is let and upon any sub-contractor under him to pay not less than minimum wage rates to all laborers, workmen, and mechanics employed by them in any capacity in the execution of the Contract. Bids shall be submitted on forms which are a part of this document or are obtainable at the Decoto Fire Station, Decoto, California.

Each bid shall be accompanied by a certified check or cashier's check or a satisfactory bid bond in favor of the Decoto Fire District executed by the bidder and a surety company in an amount equal to not less than five per cent (5%) of the bid.

The said check or bond shall be given as a guarantee that the bidder will execute the Contract in conformity with the Form of Agreement included in the Contract Documents and furnish all bonds as required within ten (10) days after the notification of the award of the contract to the successful bidder.

The Decoto Fire District reserves the right to reject any and all bids and the right to waive any informalities in the bidding.

No bidder may withdraw his bid or bid bonds for a period of thirty (30) days after the date set for the opening thereof.

## Peace Is the Message at Easter

By GEORGE BARKER

### TO THE CROSS AND BEYOND

"Peace I leave with you. My peace, I give unto you; not as the world giveth I unto you. Let not your heart be troubled; neither let it be afraid."

—St. John 14:27

It is a spiritual thing, the Lord's gift of peace, not to be compared or confused with national or worldly peace. It can be found on earth only in the hearts of those who have learned the love of Christ; for it is His love abiding in us, speaking sweetly and strongly in our spirits that gives us the "peace that passeth understanding" that causes us not to fear though the earth be moved, and

though the hills be carried into the midst of the sea that gives untroubled hearts in the midst of great dangers, that lightens every dark part. For in that inner peace we can see the light of His countenance and feel the sure and steadfast guiding of His hand.

The Lord's gift of peace is offered to all, but those who obey His command "Follow Me" can possess it in fullness. To follow Christ is to enter into His life and live His life to the utmost, knowing its hardships and suffering as well as its overwhelming joy; for His peace is a foretaste of the Kingdom of Heaven planted in our souls by His most Holy Spirit, who is our guide and comforter and who condescends to make His temple in the body of mortal man.

Those who treasure in their hearts the gift of His peace have learned first of all the lesson of humility and meekness in service to their brethren as part of their service to Him. Joyfully have they submitted to His cleansing—the washing of their feet from the world's contamination.

They have heeded His commandment to love one another, even as He loves us.

They have heard Him speak of the many mansions in His Father's house and have clung to His promise, "I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself, that where I am, there ye may be also."

They have learned to know the Father through Christ, His beloved Son and Redeemer, and they have learned to utter prayers of power in His name. For He said, "If ye abide in me, and the words abide in you, ye shall ask what ye will, and it shall be done unto you." They love Him and therefore they keep His commandments. Also they know their Lord as "the true vine" to whom they are as grafted branches. Obediently and joyfully they suffer the pain of His careful pruning, that they may bring forth the much fruit that He desires for the glory of the Father.

They have been chosen as His friends, whom He warns and prepares to expect great trial and persecution. He hides nothing from them of the good or the evil that will happen; yet He comforts them in gentle tenderness, so that

they can look beyond all trouble to a glorious end. "These things I have spoken unto you, that in Me ye might have peace. In the world ye shall have tribulation; but be of good cheer; I have overcome the world."

"Follow me," said our Lord, and follow Him we must if we would feel His peace.

We must follow Him onward to the mockery, the scourging, the trial, the desertion and denial of His disciples and to condemnation.

Then, indeed, must we pray for strength for the way leads to the Cross.

Can we bear to follow Him there?

We weep at the foot of the Cross. Nay, if we truly follow Him, we shall want to raise ourselves to share His utmost suffering in the hiding of His Father's face. The dreadful moment is past, at last His spirit rests in peace.

"Peace I leave with you. My

Peace I give unto you. Let not your heart be troubled, neither let it be afraid."

Then—silence. The silence of entombment, and yet in the midst of sorrow, joy was present. "Verily, verily, I say unto you, that ye shall weep and lament, but the world shall rejoice; and ye shall be sorrowful, but your sorrow shall be turned to joy."

"Follow me" into the silence. We follow, knowing that in the silence, in our perfect submission to His will, we shall truly know His peace. His peace, that prepares our hearts for the dawning of the Day of Resurrection, when in the early morning light we shall behold Him alive, and be like Him for we shall see Him as He is and be received into His glory.

### JOHN THOMAS AT MEETING OF MISSION CHAMBER

John Thomas of the Alameda County Planning Commission will be the guest speaker at a meeting of the Mission San Jose Chamber of Commerce next Monday.

The meeting will be presided over by Michael Overacker, president.

### PLEA FOR FEDERAL BUDGET CUT MADE

The national government will take about 30 per cent of the average breadwinner's income in taxes this year, said the California Taxpayers' Association in a statement this week calling for a federal budget cut to \$71 billion from the proposed \$85.4 billion.

The 30 per cent figure is based on the proposed budget and does not include state, county, school district and special district tax demands, the association pointed out.

The association announced its support to the Coudert resolution in Congress which calls for a \$71 billion ceiling for the federal budget.

The new \$7.9 billion foreign aid program is "a good place to cut the proposed budget," the association declared.

"California taxpayers would owe \$673,870,000 as their share of the proposed new foreign aid," it stated, "and Alameda County taxpayers would pay \$44,524,271 of this."

### VETERANS' COUNCIL PLANS SECOND MEET

Final plans for the creation of a Washington Township Council of Veterans' Organizations will be made at a meeting scheduled for Tuesday, April 15, at 8 p.m., in Roethlin's Cafe, Irvington.

The meeting will be the second in recent weeks by representatives of the four township ex-service men's organizations to form and activities coordinating council for the township.

Purpose of the council would be to cooperate on veterans' affairs, to avoid duplication of effort and planning and to act as a service agency in giving advice and assistance when needed to veterans' families.

An open invitation has been extended to members of all veterans' organizations in the township to attend.

Carol Moyozaki will represent the Centerville Elementary School instrumental music students at the California Music Educators' Association State Festival to be held in Berkeley May 2 and 3. She will play a saxophone solo and be accompanied by Mrs. Doris Graves, instrumental music teacher for the school.

By Mary Lee Taylor

#### Butterscotch Brownies

1 cup sifted, all-purpose flour  
1/2 cup brown sugar  
1/2 teaspoon salt  
1/2 cup soft shortening  
1/2 cup Pet Milk

1 teaspoon vanilla  
1 slightly beaten egg  
1/4 cup brown sugar  
1/2 cup chopped nuts  
1 slightly beaten egg white

Mix flour, 1/2 cup brown sugar and salt in bowl. Work in shortening with fork. Stir in 1/4 cup milk and vanilla. Put into a greased 9-inch square pan. Bake in moderately hot oven (400) 15 minutes, or until light brown. Meanwhile, mix egg yolk, 1/4 cup milk, 1 1/4 cups brown sugar and chopped nuts. Fold in egg white. Remove pan from oven and spread with sugar mixture. Then reduce heat to moderately slow (350) and bake 30 minutes longer, or until brown. Cut into 1 1/2 inch squares. Cool thoroughly before removing from pan. Makes 25 brownies.

**MENDOZA SERVICES TO BE SATURDAY**  
 Private interment will follow services at the Berge Mortuary Company tomorrow (Saturday) at 10 a.m. for John Mendoza, 40, life long resident of Niles, who died Tuesday at his home on the Old Niles Canyon Road.

Sheriff's deputies reported finding Mendoza lying dead with a 30-calibre rifle beside the body. He is said to have shot himself in despondency over poor health. He had previously threatened suicide.

Mendoza, former pottery worker, is survived by his father, Joseph A. Mendoza of Niles, and was the son of the late Mary A. Mendoza. Three brothers and four sisters also survive him. They are George, Frank and Bill, all of Niles, and Mrs. Adeline Vi-veiros, Mrs. Edna DeValle and Mrs. Carolyn Perry, of Niles, and Mrs. Marie Davis of Hayward.

**LAST RITES HELD FOR FRANK A. SILVA**  
 Services were held Monday at St. Joseph's Church, Mission San Jose, for Frank A. Silva, 72, brother of the late Judge J. A. Silva. Interment was at Holy Sepulchre Cemetery in Hayward.

Mr. Silva, a native of Irvington, was for 35 years a horse shoer by trade. He had been an invalid for the past 12 years.

Mr. Silva was the husband of Minnie Silva of Irvington and the brother of Mrs. Ernest Nagli of Niles. Services were under the direction of Chapel of the Palms, Centerville.

**MISSION SAN JOSE IN SPRING CLEANING**  
 Mission San Jose is undergoing a general "clean-up" campaign this month, under the direction of the Chamber of Commerce.

From April 15 to 30, residents are asked to get rid of old papers, burn up or hoe dry grass, clean up basements, check faulty wiring, and dispose of trash and rubbish.

The 4-H Club, under the supervision of Frank Vargas, community leader, will be glad to pick up old newspapers or magazines if they are tied in bundles.

The fire department will issue permits to burn, and will give free fire inspection of homes and yards, according to Chief Jack Pereira of the Fire Department.

General chairman of the clean-up campaign is Herman Medeiros.

## FARM CENTER MEETS TUESDAY, APRIL 15

The 4-H Clubs of Mission San Jose and Pleasanton will give demonstrations at the meeting of the Washington-Eden Farm Center to be held Tuesday, April 15, at 8 p.m., at Washington Union High School. A special movie of tractor safety will be shown following a demonstration by 4-H members. Door prizes will be given and refreshments will follow the business meeting. John Soito, secretary-treasurer of the organization, announced.

## WATER BOARD ASKS FOR WATER RIGHTS

(Continued from page 1)  
 exact terms of his deed to the property.

In its letter to land owners with free water rights, the Alameda County Water District stated the issue as follows:

1. The total of the water mentioned in the Hattie B. Ellsworth agreement of October 17, 1887, is 100,000 gallons daily.

2. An examination of the deeds made to those who use this water indicates, in round numbers, that the grants to them did not purport to carry as much as 18,000 gallons of water daily.

3. On several days the amount of water used by them was over 120,000 gallons.

4. The water was supplied under pressure and there is no obligation to supply such water under pressure.

5. The 100,000 gallons per day was to be delivered to a point three feet above ground, the water to be diverted from the Alameda Creek.

6. There are periods when no water is diverted from the Alameda Creek.

7. The Ellsworth tract water users receive a large amount of water for which the district receives no compensation.

The letter concluded with a request that property owners so concerned appoint a committee of three to represent them and that a reply should be given to the directors of the water district by April 15.

In discussing the problem, one owner of water rights stated that there should be a court interpretation of the dispute as to whether or not the water was to be delivered under pressure.

"The delivery point of water three feet above ground could mean most anything," he stated, "for the original Ellsworth tract included land equal in height to that which now comprises the Niles Canyon Heights area."

Another asked, "If we're entitled to only 18,000 gallons a day, where is the remaining 88,000 gallons going?"

To that question, officials of the Alameda County Water District had a ready answer.

**OTHER RIGHTS PURCHASED**

## 78-FOOT WIDENING OF THORNTON AVE. SOUGHT BY STATE

State plans to widen Thornton  
Avenue an additional 78 feet  
north of the existing right of way  
line were given the Washington  
Township Chamber of Commerce  
Wednesday evening at its regular  
monthly meeting.

Steps will be taken in the near  
future, the Chamber was told, to  
establish future width lines to  
prevent the construction of new  
buildings within this area.

The information was given the  
Chamber in a letter from L. A.  
Weymouth, district engineer for  
the State Division of Highways at  
San Francisco.

The plan would call for the ac-  
quisition of property north of  
Thornton at the intersection of  
that street and Hesperian Blvd.  
(Main Street in Centerville). This  
property is now owned by St.  
James Episcopal Church and is  
under consideration now as a pro-  
posed commercial building site.

The plan would also call for  
the eventual removal of all homes  
within the 78-foot enlargement  
area running north of Thornton  
Avenue.

Members of the Chamber were  
informed that the extent in length  
of the widening was not indicated  
by the highway authorities, but  
that it would definitely be en-  
larged the length of the avenue as  
far as the proposed clover-leaf  
intersection with the contemplated  
Eastshore Freeway.

## NEWARK CONCERNED

Newark representatives to the  
Chamber voiced concern that a  
widening of the road to Newark  
would bring a highway of fast-  
moving vehicles to within 50 feet  
of the Newark Elementary School.

In the evening debate that fol-  
lowed announcement of the plan,  
the Chamber agreed to take im-  
mediate steps to propose an alter-  
nate route to be located between  
Thornton Avenue and Jarvis Road.  
Col. Gene Manning, executive  
secretary of the Chamber, was in-  
structed to bring the alternate  
proposal to the attention of high-  
way authorities.

The Chamber also received a  
"no" on two other projects under  
consideration.

The San Francisco Water De-  
partment has informed the Cham-  
ber that it was impossible to do  
anything definite at this time in  
regard to the sale of the Vallejo  
Mill tract as a proposed park site  
for the township.

The Union Sanitary District,  
comprising Niles, Centerville and  
Newark areas, informed the  
Chamber that though it was in  
accord with the Chamber's desire  
to establish a dry refuse dump for  
the township, the district could  
be of no assistance in the matter.

Two township men had their  
drivers licenses suspended last  
week, the State Department of  
Motor Vehicles has announced.  
They are: C. G. Agundez of De-  
coto and Guillermo Moreno of  
Newark.

## AIR WAR IN KOREA SUBJECT OF TALK

Lt. (jg) Sam French, air intel-  
ligence officer at the Alameda  
Naval Air Station, will address the  
20-30 Club next Tuesday evening  
on the subject of air operations  
in Korea.

French appears as the second  
speaker in a series to address the  
club now being organized by  
young men of the township be-  
tween the ages of 20 and 35. Club  
officers have extended an open in-  
vitation to the 90 or more young  
men of that age group in the  
township to join the group at its  
meeting Tuesday at the Interna-  
tional Kitchen. Dinner will be  
at 7:30 p.m.

## TO NEED TEACHERS AT CENTERVILLE

Three additional teachers will  
be needed by the Centerville Ele-  
mentary School for the fall term,  
Tom Maloney announced this  
week.

An increase in enrollment of  
100 students is expected with the  
opening of the 1952-53 school term  
next September, he stated. The  
board of trustees have authorized  
the acceptance of applications  
from persons qualified for third,  
fifth and sixth grade teaching  
positions.

left side of the car.

The five women had been at-  
tending an annual picnic at the  
nursery of the Foothill Boulevard  
Federated Women's Club. All were  
given emergency treatment at  
Fairmont Hospital before being  
transferred to private hospitals in  
Oakland.

In the Machados Corners acci-  
dent, the driver of the carrier,  
Harold V. Pasley of Richmond,  
reported that the Campbell light  
coupe pulled in front of him at  
the intersection. His truck, going  
north on the arterial highway,  
knocked the Campbell car into a  
stop sign and then skidded off  
the highway, jamming itself be-  
tween a tree and a parked auto-  
mobile.

The parked car, owned by John  
Dias of Newark, was seriously  
damaged, as were three of the five  
new vehicles on the trailer. Dias  
had just left his car to enter a  
restaurant.

Occupants of the Campbell car  
were thrown clear of the wreck.  
Evidence showed that Mrs. Camp-  
bell was thrown part way through  
the windshield and then back and  
out of the door of the car. She  
was dead on arrival at Fairmont  
Hospital.

Her daughter suffered leg  
fractures, a broken nose and se-  
vere cuts. She was given emer-  
gency treatment at Fairmont hos-  
pital and later transferred to the  
Palo Alto hospital. Mr. Campbell  
was released to the care of a pri-  
vate physician.

ployees about whom he says, in  
speaking of his business success,

## LIGHTNING STRIKES ONCE, TWICE . . . ?

If you don't think that light-  
ning strikes twice, just ask Mr.  
and Mrs. Manuel Freitas, who  
live on Thornton Avenue, Cen-  
terville, at the former Kolb  
ranch.

Last year, an apricot tree in  
their orchard was struck by  
lightning. And last week, dur-  
ing the freak electrical storm,  
lightning struck again, this time  
with more damage. Mrs. Freitas  
and her three children were ter-  
rified when lightning struck a  
big tree which came crashing  
down on the house. All of the  
windows on one side of the house  
were blown out, and their 3-  
year-old son, Clarence, narrow-  
ly escaped serious injury from  
flying glass.

"It was awfully cold and dark  
with no windows and all the  
lights gone," said their 11-year-  
old daughter solemnly.

Mrs. Freitas, even more sol-  
emnly, said, "Now I'm wonder-  
ing if lightning can strike  
THREE times."

the gun accidentally discharged.

The case was referred to the  
county juvenile court in Oakland  
for consideration.

## VETERANS GROUP NAMES OFFICERS

Temporary officers of the pro-  
posed Veterans Council of Wash-  
ington Township were named this  
week and details were completed  
to present formal organization  
plans to the four veterans organi-  
zations in the township for their  
approval.

Art Gomes, American Legion,  
was elected acting commander.  
Leonard Silva, Alvarado V.F.W.,  
was named temporary adjutant  
and quartermaster; Walter Roeth-  
lin, Irvington V.F.W., temporary  
chaplain.

Upon the approval of the or-  
ganization plans by the four vet-  
erans organizations, the council  
will take up its proposed duties of  
co-ordinating veterans affairs in  
the township in order to avoid  
overlapping of functions and ac-  
tivities.

## THIEVES STRIP CARS

Eight cars belonging to workers  
on the night shift at Pacific States  
Steel Co. were given a going over  
by thieves early Tuesday morning.  
Several were stripped of accesso-  
ries and one was missing two  
wheels and tires. The discovery  
was made when the employees  
went off duty.

## SOFTBALL LEAGUE TO BEGIN PLAY

First games in the V.F.W. 14th  
District softball league are sched-  
uled for Tuesday evening, April  
22, it was announced this week.

Irvington V.F.W. Post will meet  
the Livermore post at the Liver-  
more Union High School field at  
8:15 p.m. and the Hayward and  
Ashland posts will meet at Hay-  
ward.

Charles Contini, athletic direc-  
tor for California Department of  
V.F.W., will make the opening  
pitch at Livermore, and Claire L.  
Basford, 14th District Commander,  
will do the honors at Hayward.

The Irvington team is getting  
itself in shape with practices this  
week end on Saturday 12 noon,  
and Sunday at 10 a.m. Both prac-  
tice games will be at Washington  
Union High School field.

## MRS. L. H. ADAMS HEADS C.D. GROUP

Mrs. L. H. Adams of Irvington  
Wednesday was named director-  
general of the Washington Town-  
ship Civil Defense Committee. Mrs.  
Adams succeeds Bruce Michael of  
Warm Springs, whose resignation  
was accepted last week.

Mrs. Adams has been assistant  
director for the township for the  
past four months. She has named  
Mrs. Oscar Pohl of Warm Springs  
as her successor to that post.

## WORK

Looking for work with a future? Stay out of electronics, television and other jet-propelled occupations. These fields are over crowded with hopeful graduates of GI training schools. Today's best bets are in the old neglected crafts. Typical example: Sheep shearing. This ancient art now becoming rapidly forgotten. Need for skilled sheep shearers higher than ever. Number of qualified men lower than ever. There are now seven schools held annually to teach this tricky work. There's a shortage of farmers, too. A farmer is a horse shoeer with a diploma to prove it. Any of you oldtimers remember when the auto was going to put the horse out of business. America now has more horses than ever.

## DATELINES

Lincoln. Counterfeit coins have been showing up here. Dimes and quarters. Why would anyone bother to make a phoney dime these days? In Oakland, the people have been showing not to use paper money for advertising. Someone was printing business messages on the bills. Guess they figured that's all the stuff was good for. Manteca. This city got its Police Chief by advertising in the newspaper for one. I wonder how they're doing in Sonoma where the chief gets bounced out of work every three months? Mill Valley. People here know which way the wind blows. Auto dealer in this bay area community sent up advertising balloon. Next day it was picked up in Benson, Arizona.

## THEY SAY

"The teachers say that homework is a prime necessity," says O.H.M. of Dunsuir. "I say homework is as necessary as a third leg." It is not yet known if children of Dunsuir plan statue to this wise man.

## PERFECT WIVES

Men of Fairfield won't like it, but they may have California's most perfect wives. These idealistic gals got seeds of simply fascinating pointers from Mrs. An-

ita Day Hubbard who is expert at telling other women how to get along with their husbands. While husband at home was trying to find the pickles in the icebox, wife sat at artistically decorated club table, sipping oolong and nibbling petit-fours. Wives silently estimated costs of other wives outfits and discussed interesting ways to keep husband happy. Some day women will discover that husband is good person to consult on this question. We fear Fairfield huddies in for spell of home re-decorating and interesting, attractive meals. Things will be okay when these good gals settle down to old hit-or-miss routines.

## MERITORIOUS AWARD

A nugget to Kad Dunlap, Jackson. Poetess Dunlap has written so well and simply on racial tolerance that her poems have become part of high school course. They're a big help in friendly understanding, students say.

## CALIFORNIANS

Antoine August, Niles. 92 year old Mr. August was walking down street when two kindly 'doctors' beckoned to him. They listened to his heart, took his pulse, felt his back. Mr. August hasn't seen the 'doctors' since. Either. Harry F. Smith, Ukiah. Harry was doing spell in jail here when he got interesting news from home. The news: he inherited \$25,000. Mrs. Cecil J. Johnson, Arcata. When Mrs. Johnson took a slider on slippery street, kind folk rushed up to help collect packages. One unkindly helper rushed away with wallet. Honest folk still living in Cal., though. In Lower Lake, woman lost purse containing papers and \$60. Ad in paper got it all back, inc. the six-o.

## ROUNDUP

Holtville. Carrot capitol of the U.S.A., has come up with a recipe for carrot cookies. Is this good? The burros at Hemet's playground got loose and took vacation about town. Burros enjoyed most the stay in yard of Miss

## SET FOR MAY 17

Henry Lewis has been appointed general chairman of Newark's fifth annual Youth Center Carnival-Bazaar by the Youth Center Association, it was announced this week. The Carnival-Bazaar will be held at the Newark Elementary School on the evening of May 17. Mrs. Gayle Maphet Stepp, fourth grade teacher at Newark, will head the show committee and has issued a call for talent. Anyone who would like to take part in the show is asked to call either Mrs. Stepp at Niles 4507 or Ken Foster at Newark 3-3902.

Assisting Mr. Lewis in planning for the Carnival are the following: William Hildebrand, vice-chairman, Mrs. Ray Auchard, S. G. Scott and Mr. and Mrs. T. C. Gunn.

Proceeds of the Carnival will be used by the Youth Center Association for improving and enlarging the Youth Center Building.

## RUNOLFSON SERVICES

Private funeral services were held this week for Pearl Runolfson, 67, who died in Newark after a short illness. She had been a resident of San Leandro before coming to Newark a short time ago. The Chapel of the Palms was in charge of arrangements and closing services will be at Santa Monica.

Magazine  
California  
NOTES

Come we again, with the first blush of spring, to the season of celebrations in California, a long and full agenda taking in almost every conceivable kind of event from horned toad derby to wistaria fete, from State Fair to myriad county fairs and back again.

This modest sized publication could, if its custodians let down the bars, be loaded to the gills each issue with nothing but copy on California festivals.

It's hard to know where to draw the line. They're all colorful and all worthwhile, and many are in towns where Magazine California is a part of the local newspaper.

In this issue we do give brief salutation to the Chino Ride, held annually in the hills close by a historic Southern California town.

In next issue will be featured the famous Ramona Pageant, to be held this year on the week ends of April 19 and 20, 26 and 27 and May 3 and 4 at the foot of Mt. San Jacinto, near Hemet, a Magazine California town.

Writes Mrs. Margaret T. Johansen of Palo Alto:

"Congratulations to you for obtaining Mr. Albert Wilson for your garden contributor. He is tops in his field. He is the most popular garden lecturer in Palo Alto, a highly critical and knowledgeable garden community. He appeared for a long time on radio and is soon to appear on television.

The column came to me through the Arcata Union—I am sure Mr. Wilson's column will give pleasure and valuable information to your readers.

Heart warming, it seems to us, is the best way to describe the story of the house warming of the Freddie Wing family of Sonoma as told by Bob Lynch, editor of the Sonoma Index Tribune. We wonder how many California communities could measure up to this friendliness manifest in the Valley of the Moon.

Life is a never ending round of cooking schools for Jim Vento of Magazine California staff who is touring the state as emcee for the very popular "Country Carnivals" staged jointly by Magazine California, the newspapers in Magazine California towns and the utility companies (Pacific Gas and Electric Company in the North.)

Crowds literally jampack the local auditorium wherever "Country Carnival" appears. Within the next few months, Magazine California hopes to stage a "Country Carnival" in every California town in which this magazine serves as supplement to the local newspaper. Enthusiasm for these events is running high.

Dere Ed: We bin havin' a mite of unusual weather out in these parts all winter includin' some winds that ain't no gentle zephyrs. Some figger they're the result of the hot air bein' generated in this Presidential year.

But like I always say we ain't got no call to gripe. Durin' World War II when I was in trainin' down in Texas I distinguished myself one windy afternoon by floatin' down into camp and landin' right smack on top of one of our shavetail second looys.

"You got a heck of a nerve, soldier," he bellers at me as he picked himself up off the sand. "What's the idea of comin' down in a parachute on limits on a day like this?"

"Beggins' the lieutenant's pardon, sir," I says, "I wasn't comin' down in no parachute. I went up in a tent!"

Uncle Jasper says we ain't seen nothin' until we've bin through a few of the twistlers they have in other parts of the country.

"Back in Punkinville," he says, "when you saw a stranger that was huntin' for a house you knowed darn well he didn't mean one to buy or rent. You just figgered he'd bin watchin' when his went sailin' across the state line." Uncle Jasper's a big bag of wind himself. Hopin' you are the same, I am.

## "FOR WOMEN ONLY"

Barbara Blakely, one of our foremost models and cover girls, tells me the secret of charm and personality which each and every successful model must possess, is a "positive frame of mind" and "when you are on the street, in the fashion shows, or even in your home, a sure, graceful, theatrically natural poise must be kept. If you think in your own mind your are charming, and sell yourself on this idea, you will find that others will share this view. Be bold, casual and poised at all times." Barbara Blakely has instilled this

simple message into women of all ages, who now are the top models, and whose lives have been magically changed. . . . The Camp Fire Girls will soon issue a call for volunteers among older women to aid them in the increased summer activities. . . .

## Go Where Opportunity Is

The Most Stable Activities  
of Man

In all periods of prosperity or depression, our people and all people must still use food, clothing, and shelter—hence the production and distribution of these necessities to sustain life represent the most stable activities of man. Our businesses and industries have been responsible traditionally for these two important functions in our national life. These two important groups in our American economy, representing many millions of companies, furnish our largest and most stable fields of employment. They abound with opportunity in many important career fields.

## NEED FOR LEADERSHIP

In all great industrial, marketing, financial, trade, and transportation centers there is need for economic statesmanship—a leadership with the know-how to direct and to control all the factors of capital and labor to the end that more and better goods will be produced at less cost to the consuming public. This leadership is necessary at every level of employment. The modest stenographer, secretary, bookkeeper, or salesman of today may climb all the way to the positions of highest responsibility. The challenge is for an enlightened, interested, and honest service.

## OPPORTUNITY FOR PRACTICAL TRAINING

In 34 years, 18,000 discriminating young men and young women have found that Armstrong College has provided top training for the most popular and important objectives in business and industry. Ask either a graduate or his or her employer and determine for yourself the prestige Armstrong training will give you. Visit the college and see its professional facilities. ## Get After the CANNAS Now!

Cannas are members of the banana family, they grow wild in tropical regions. Now is a good time to do something about them.

1. Select a sunny place for them.
2. Cannas do best in rich soil; use manure, use also good composted leaf mold.
3. If your cannas are crowded, if they have been in the same place for years, you are getting poor blooms. Crowded rhizomes should be dug up and separated. Let each rhizome have one good new shoot.
4. Space the rhizomes 18-24 inches apart; remember active roots need plenty of room.
5. Plant in groups; go in for the mass effect with your cannas. Stick with one color in one plot, tall ones to the rear.
6. Grass and herbaceous weeds should never be allowed to get the upper hand. Snails and slugs must also be controlled because they eat holes in the new unfolding leaves.
7. Don't be stingy with water, cannas love lots of it all summer.
8. Select among the forms with purple-bronze or rich green foliage. And select in the colors of pink, salmon, red, mottled yellow, orange, and ivory-white.

## It's Still Planting Time, But Look to the Permanents

ALBERT WILSON

Lecturer, Author of "How Does Your Garden Grow"

There is still time this year to add to the garden shrubs to give flowers, trees to give shade, flowers and delicious fruits. We have to be practical however, be our place large or small. We get this advice from the Landscape Architects and too from the American Association of Nurserymen. If we have a fifty foot lot we have to be especially choosy and economical of space in order to get the most out of the land we live on. Your nurseryman can give helpful advice on this.

Home grown fruits and flowering shrubs become more popular every year. Did you ever stop to think how many of our senses flowers and fruit appeal to? Sight, touch, taste and smell especially are appealed to, and even hearing might be included if we listen to the gentle breezes blowing through trees and shrubs.

### Fruit Trees

Not many other things we buy, short of actual food, clothing and shelter have such a strong hold on us. We receive from our fruit trees beauty, fragrance, food of delicious flavor, and rich in vitamins. Perhaps the most valuable attribute of flowering trees and shrubs is wrapped in the fact that they are a natural delight to the whole family as well as the neighbors. A well-planted home imparts a feeling of well-being and stability.

So when you sit down with that nursery catalogue and browse through the illustrations, think of these things and plan accordingly. Select a variety of the plants you most desire. But think not alone of beauty and fragrance, think also of usefulness. Fruits are offered by many truly ornamental trees and some bushes, as the guava for instance. And here in California you can find places for a great variety, for we have what the botanist calls "conditions of maximum growth."

Lay out a plan for the space you have available. Or if your place has been landscaped years ago, think out the exposure for the new addition to be set in the garden. Remember too how that new tree or shrub is going to grow. Indeed include everything in the way of plants that will make your property more live-

able to the family, more beautiful too for the passers by.

### Selections for Southern California

In Southern California your selection can favor the broad leaved evergreens. There is the loquat. It is a tree. It offers deliciously fragrant flowers in December and January, and golden fruit in early April. Besides the loquat tree grows large and will provide a cooling shade from the hot summer sun. Then too for the homemaker that loves arrangements of greens in the house, there are from this tree the interesting branches with their noble looking leaves. The loquat foliage makes a stunning table arrangement.

Also for Southern California such large leaved trees as the evergreen magnolia, the aromatic shiny leaved camphor, the fragrant flowered pittosporum (P. undulatum)—these plants have proven themselves excellent for the home garden.

### Oleander Practical

Among the shrubs there is the ever blooming oleander. Five months every year it will bloom steadily. The oleander can do this exceptionally well if you will prune your plant once in awhile. All you must do is cut down to ground level the old stumpy branches, the ones that have provided their blooms and now are coasting along. From the roots come the vigorous lush shoots on which unfold quality blooms. All of us must remember it is "on the new wood the blossoms appear." It isn't too late to go over your oleander if you have one long established.

A few years ago the University of California sent out a number of hybrid leptospermums. These have proven excellent for Southern California gardens. I've seen marvelous plants in San Diego, Vista, and Seaside. Also a few years ago Golden Gate Park introduced to California a new leptospermum. It's a kind of New Zealand Tea Tree. The variety is called Keatleyi. It is a winter-flowering hybrid. The blooms are of pale pink to rose with large reddish-brown wax-like centers surrounded by many anthers. The buds themselves are beautiful before they open. This tea tree has a delicate ferny leaf and graceful branching system. It grows well in Southern California as it does in the Coastal Central districts. But one of its greatest charms is its use as a pot plant. I can recommend it as such where the climate is difficult for then pot and all can be moved indoors.

### Leptospermums

Then in Southern California at Rancho del Descanso, at La Canada Dr. Walter E. Lammerts developed an attractive leptospermum, X Red Danask. This has deep ruddy tones and blooms over a long period of time. His

## HOME Garden SECTION

Bonnie Williams inspects newly planted oleander shrubs used as permanent planting for a San Joaquin Valley office building. With the warm valley sunshine on its way, these plants will soon burst into brilliant bloom which will last late into the fall months. Oleanders are evergreen.

Ruby Glow also is especially attractive.

All of these leptospermums require little attention. They prefer the soil on the dry side, they love lots of sun, appreciate a warm spot protected from the blustery wind. For potted plants such as the one recommended above I would recommend regular watering during the summer, and an occasional feeding which will encourage bright blooms.

### Central California

We've been stressing Southern California, but what about Central California. There's brunfelsia. It grows to about six feet, becomes blocky and on its branches holds large butterfly-like blooms. The buds unfold into flat lavender petaled flowers, these turn sky blue the second day, and become a scintillating white on the third. The flower is called today, tomorrow and yesterday flower. It possesses a delightful fragrance.

### Northern California and the Frost Belt

Add strong shrubs, look to the bulky escallonia, sturdy Chinese toyon, the fire-thorn or pyracantha, rhododendrons, Spanish and Scotch broom. These are rugged plants, can take cold and can go it when the weather gets tough. All will bloom.

Just remember when you set out a new tree or shrub to do a good job at planting time. Thrash up the soil, loosen it down in the hole. Use the best soil available at the time you plant. And then instead of running off to Yosemite right away, stay around awhile and water that new addition. Keep the roots supplied with water till the plant is on its way.

## 78-FOOT WIDENING OF THORNTON AVE. SOUGHT BY STATE

State plans to widen Thornton Avenue an additional 78 feet north of the existing right of way line were given the Washington Township Chamber of Commerce Wednesday evening at its regular monthly meeting.

Steps will be taken in the near future, the Chamber was told, to establish future width lines to prevent the construction of new buildings within this area.

The information was given the Chamber in a letter from L. A. Weymouth, district engineer for the State Division of Highways at San Francisco.

The plan would call for the acquisition of property north of Thornton at the intersection of that street and Hesperian Blvd. (Main Street in Centerville). This property is now owned by St. James Episcopal Church and is under consideration now as a proposed commercial building site.

The plan would also call for the eventual removal of all homes within the 78-foot enlargement area running north of Thornton Avenue.

Members of the Chamber were informed that the extent in length of the widening was not indicated by the highway authorities, but that it would definitely be enlarged the length of the avenue as far as the proposed clover-leaf intersection with the contemplated Eastshore Freeway.

### NEWARK CONCERNED

Newark representatives to the Chamber voiced concern that a widening of the road to Newark would bring a highway of fast-moving vehicles to within 50 feet of the Newark Elementary School.

In the evening debate that followed announcement of the plan, the Chamber agreed to take immediate steps to propose an alternate route to be located between Thornton Avenue and Jarvis Road. Col. Gene Manning, executive secretary of the Chamber, was instructed to bring the alternate proposal to the attention of highway authorities.

The Chamber also received a "no" on two other projects under consideration.

The San Francisco Water Department has informed the Chamber that it was impossible to do anything definite at this time in regard to the sale of the Vallejo Mill tract as a proposed park site for the township.

The Union Sanitary District, comprising Niles, Centerville and Newark areas, informed the Chamber that though it was in accord with the Chamber's desire to establish a dry refuse dump for the township, the district could be of no assistance in the matter.

Two township men had their drivers licenses suspended last week, the State Department of Motor Vehicles has announced. They are: C. G. Agundez of Decoto and Guillermo Moreno of Newark.

## AIR WAR IN KOREA SUBJECT OF TALK

Lt. (jg) Sam French, air intelligence officer at the Alameda Naval Air Station, will address the 20-30 Club next Tuesday evening on the subject of air operations in Korea.

French appears as the second speaker in a series to address the club now being organized by young men of the township between the ages of 20 and 35. Club officers have extended an open invitation to the 90 or more young men of that age group in the township to join the group at its meeting Tuesday at the International Kitchen. Dinner will be at 7:30 p.m.

## TO NEED TEACHERS AT CENTERVILLE

Three additional teachers will be needed by the Centerville Elementary School for the fall term, Tom Maloney announced this week.

An increase in enrollment of 100 students is expected with the opening of the 1952-53 school term next September, he stated. The board of trustees has authorized the acceptance of applications from persons qualified for third, fifth and sixth grade teaching positions.

left side of the car.

The five women had been attending an annual picnic at the nursery of the Foothill Boulevard Federated Women's Club. All were given emergency treatment at Fairmont Hospital before being transferred to private hospitals in Oakland.

In the Machado's Corners accident, the driver of the carrier, Harold V. Pasley of Richmond, reported that the Campbell light coupe pulled in front of him at the intersection. His truck, going north on the arterial highway, knocked the Campbell car into a stop sign and then skidded off the highway, jamming itself between a tree and a parked automobile.

The parked car, owned by John Dias of Newark, was seriously damaged, as were three of the five new vehicles on the trailer. Dias had just left his car to enter a restaurant.

Occupants of the Campbell car were thrown clear of the wreck. Evidence showed that Mrs. Campbell was thrown part way through the windshield and then back and out of the door of the car. She was dead on arrival at Fairmont Hospital.

Her daughter suffered leg fractures, a broken nose and severe cuts. She was given emergency treatment at Fairmont hospital and later transferred to the Palo Alto hospital. Mr. Campbell was released to the care of a private physician.

this age when sentimentality is at a premium, is rather nice to hear.

He has two sons who are his right-hand men, and several employees about whom he says, in speaking of his business success, "All my help helped me do it." Guess who!

## LIGHTNING STRIKES ONCE, TWICE . . ?

If you don't think that lightning strikes twice, just ask Mr. and Mrs. Manuel Freitas, who live on Thornton Avenue, Centerville, at the former Kolb ranch.

Last year, an apricot tree in their orchard was struck by lightning. And last week, during the freak electrical storm, lightning struck again, this time with more damage. Mrs. Freitas and her three children were terrified when lightning struck a big tree which came crashing down on the house. All of the windows on one side of the house were blown out, and their 3-year-old son, Clarence, narrowly escaped serious injury from flying glass.

"It was awfully cold and dark with no windows and all the lights gone," said their 11-year-old daughter solemnly.

Mrs. Freitas, even more solemnly, said, "Now I'm wondering if lightning can strike THREE times."

the gun accidentally discharged.

The case was referred to the county juvenile court in Oakland for consideration.

## VETERANS GROUP NAMES OFFICERS

Temporary officers of the proposed Veterans Council of Washington Township were named this week and details were completed to present formal organization plans to the four veterans organizations in the township for their approval.

Art Gomes, American Legion, was elected acting commander. Leonard Silva, Alvarado V.F.W., was named temporary adjutant and quartermaster; Walter Roethlin, Irvington V.F.W., temporary chaplain.

Upon the approval of the organization plans by the four veterans organizations, the council will take up its proposed duties of co-ordinating veterans affairs in the township in order to avoid overlapping of functions and activities.

### THIEVES STRIP CARS

Eight cars belonging to workers on the night shift at Pacific States Steel Co. were given a going over by thieves early Tuesday morning. Several were stripped of accessories and one was missing two wheels and tires. The discovery was made when the employees went off duty.

## LIBRARIAN

The public library is one of America's most cherished institutions, the oldest (1638) being at Harvard University. The librarian, as guardian and guide to this source of knowledge, is one of America's key occupations. Representative of the best in this demanding profession is Neva Hunsberger, librarian in the San Joaquin Valley town of Reedley. Librarian must be combination house-detective, walking encyclopedia, shusher of noisy folk and befriender of the young. In addition to all this, Neva Hunsberger writes column for the Reedley Exponent, dispensing the latest on interesting new publications. The library is as much a guardian of our liberties as our armed forces. The informed person is one not easily led into dictatorships of the Left or Right. A librarian is asked everything from who married Pocahontas (John Rolfe) to what was middle name of John Quincy Adams' wife (Catherine) to who discovered aspirin (Dresser, 1899). Chief function of librarian is to teach and encourage people to learn for themselves. The library is man's best and cheapest means of entertainment and inner growth. Career of librarian is high in security, low in financial rewards. Requirements are becoming increasingly stringent. Specialized courses now offered in many colleges. One of the best: the post-graduate one-year course at University of California, Berkeley.

In this feature, Magazine California each issue salutes a noteworthy California woman in a worthwhile profession.

## Thoughts on a Spring Bonnet and What's New

By HELEN WEILL,  
 Fashion Editor

It's the breath of spring, and we are about to sing of everything! Including a turn of the head.

For it is the head that turns first with the thought of spring. And with that comes the need, or the yen, for that new spring bonnet . . . and this season hats are so different, that now you will have to readjust your thinking, fitting and seeing, as never before.

They're large, they're small, and some are hardly there at all. . . But this is one season when a NEW hat is a MUST—or else you are bound to feel dated. . . and that would be too-too bad. . . But with fashion in other accessories, dresses and suits needing but a bit of a change to make them seem new, a bit of an urge to pull out fresh new "green-backs" for the spring bonnet is not too hard to do.

**SO EXCITING**  
 With hats so different, and so exciting, pulling hats out at random is fun, too—though just because a hat is most fabulous, or most terrific, does not mean that it is for YOU. Some hats do, and some hats don't—no matter what the style, and you should avoid the sales person who goes off into ecstasy each time the sweet chapeau is perched on your proud head.

Search until you find your hat, the one that is meant for you. That is the first must, when ye go a seeking, and then make the most of YOU. Your profile, features and hair have much to do with your selection.

If you have much lovely hair, the new scooped out affairs with almost no back are lovely. If you are one in 37 (yes'm, statisticians have proved that) who has a natural widow's peak, by all means that must show.

**HATS AT RANDOM**  
 But onto the hats at random. For something truly lovely with a breath of spring whimsy, how about a lyric of a lilac hat? A bit of something that fits on snugly, shows the widow's peak, is covered with wee lilacs, and a sheer nose veil . . . and for breath of surprise, a pin-on sprig of lilacs to wear on lapel, sleeves or belt. **HATS THAT SHINE**  
 For more hats that shine, the jeweled milans are wonderful.

These straws with a woven iridescence light up each intricacy of the shape. . . A famed London designer is making these milans, and has brought quite a collection to the States, to try something new on his friends across the sea. . . How soon California adopts them is something to be seen.

More about little hats. Instead of lilacs, or a profusion of flowers atop the head, one designer has created a sweet something that is a bouquet of paper roses set in rayon velvet. This is a sentimental sort of a job, and neat. Darling in white snowy cotton lace, on black or navy rayon velvet, or straw—and, by-the-way, to make the old hat look new, or at least newer, how about trying some heavy linen or cotton lace appliqued atop it?

**RUSTIC STRAW**  
 And for you who can, and like to wear your hats straight, the sailor suite is her ticket. A rustic straw has the tiniest brim. Worn straight forward with a matching rustic straw feed bag,

# Crisp Salads

Perk Up Those  
Spring Fever Appetites

By MARGUERITE FENNER,  
Director of Home Economics, Pacific Gas & Electric Company

Crisp, colorful salads certainly do help to perk up those "spring fever" appetites. And as more of the fresh spring and summer foods come on the market—the succulent greens, the tender young vegetables and luscious fruits—you'll have a great variety of foods to use in attractive and tempting salads.

A good rule for springtime meals is to serve at least one fresh food at every lunch and dinner. Sometimes it may be a dish of cool cucumber slices, a plate of crisp celery and radishes, or perhaps some green onions and raw carrot sticks. These appetizing relishes may frequently take the place of a salad on the menu.

Of course, every family has its favorites in the salad line; but it's also true that the more variety you have from day to day, the more your salads will be enjoyed. Always wash greens thoroughly and crisp them in the refrigerator; have all ingredients cold.

A good tossed salad is appropriate at almost any meal, and you can vary the ingredients slightly and try special dressings. As for "arranged" salads, the possible combinations are practically endless! Remember that a salad can be an appetizer, a refreshing accompaniment to the main course, a main dish in itself, or even serve as a dessert—you choose the type of salad according to the role it plays in the meal. Here are a few ideas that may be new to you.

**Trade Winds Fruit Salad**  
Drain canned cling peach halves thoroughly, allowing two halves to each salad. Arrange on crisp salad greens on individual plates. Fill peach halves with mixture of diced or thinly sliced banana and crushed pineapple. Serve with a tart French dressing.

apple. Serve with a tart French dressing.

## Stuffed Celery Salad

Stuff 3-inch lengths of celery with grated raw carrot mixed with mayonnaise and chopped nuts. Lay on leaf lettuce on individual salad plates (2 or 3 to a salad). Then cut each celery stalk into 1/4-inch bits, leaving them in their original position. Garnish with ripe olives, and pass French dressing.

## Chef's Salad Bowl

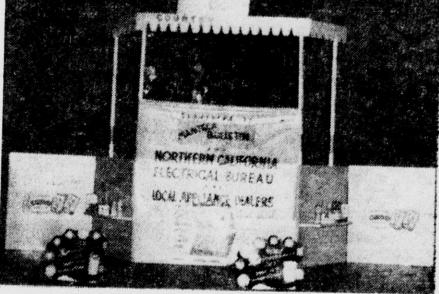

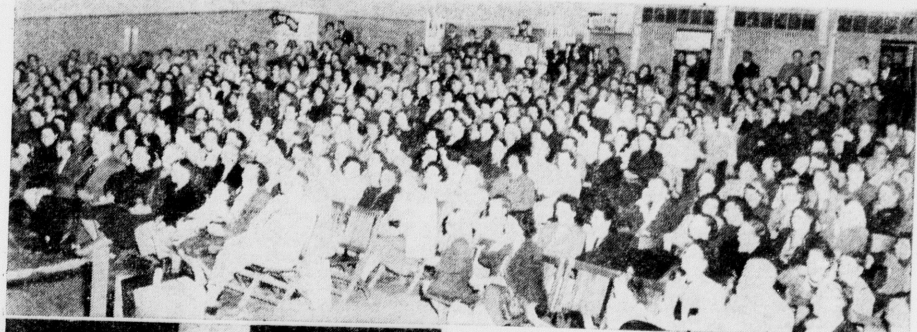

1 head lettuce (about)  
1 medium-small cucumber, diced  
1 green pepper, cut in strips  
1 cup cooked ham or luncheon meat, cut in julienne pieces  
1 cup cooked chicken, cut in small strips  
3 hard-cooked eggs, quartered  
2 tomatoes cut in wedges  
1/2 to 3/4 cup French dressing  
1 tablespoon crumbled Blue cheese  
1 tablespoon catsup

Break lettuce in bite-size pieces into salad bowl. Add other vegetables, meats and eggs. Combine French dressing, cheese and catsup; mix thoroughly. Pour over salad and toss lightly. Serves 6 to 8.

"California Market Place," the place to find what you're looking for in California, appears on Page 7 of this issue.

# Country Carnival

Better Meals at Lower Cost

Part of the big crowd (above) attending "Country Carnival" at Manteca, sponsored jointly by Magazine California and Manteca Bulletin. At left, Emcee Jim Venio tells the audience about some of the products featured. Record-breaking crowds have been attending these events in each Magazine California town where they have been held.

## Time Saving FROSTINGS and Decorations

Birthdays and special occasions demand specially decorated cakes, of course. If you are hurried, you can use these speedy frostings on a packaged-mix, quick-mix, or bakeshop cake. You can then decorate to suit the occasion, and your fancy, with nuts, bits of sweet chocolate, tiny candies, or glazed fruits. You will be surprised and pleased to see how easy it is to turn out a pretty and unusual cake.

### Caramel Cream Frosting

1 cup C and H brown sugar  
1/4 cup cream or top milk  
2 tablespoons butter  
2 cups sifted C and H powdered sugar  
1 teaspoon vanilla

In a saucepan heat brown sugar, cream and butter. Stir until mixture begins to boil. Then remove from heat, and stir in powdered sugar. Add vanilla. Beat until creamy and cool enough to hold its shape, then spread on cool cake.

Makes enough for two 8" layers.

### Chocolate Frosting

1 square (1 ounce) unsweetened chocolate  
1 egg, well beaten  
1 teaspoon vanilla  
1 tablespoon cream  
1 1/4 cups sifted C and H powdered sugar

Melt chocolate over hot water and stir slowly into the egg beaten with the vanilla. Add cream, then gradually beat in powdered sugar. When smooth and creamy, spread on cool cake and sprinkle with coarsely chopped walnuts. Makes enough for top of 9" by 13" loaf cake. When there is time, it is fun to get out the pastry tube and try your hand at fancying-up a cake. Spread the cake with a cooked or powdered sugar frosting. If you want color in the decorations, divide the frosting and tint each part as you wish with a drop or so of food color. (You'll have prettier cakes if the tints

are kept delicate rather than too deep.)

### Ornamental Frosting

1/4 cup butter  
1 egg white, unbeaten  
2 cups sifted C and H powdered sugar  
Dash of salt  
1 teaspoon vanilla

Cream butter. Stir in unbeaten egg white. Then stir in sugar gradually, mixing until well blended. Add salt and vanilla. Beat until thick and creamy and frosting holds its shape. Enough for a large cake, but depends on the amount of decoration desired.

## FROZEN ORANGE JUICE MAKES FINE JELLY

Takes Only a Few Minutes to Make 8 Glasses  
1 Can Frozen Orange Juice (6-oz.)  
2 1/2 Cups Water  
1 Package (3 1/2-oz.) M.C.P. Jam and Jelly Pectin  
4 1/2 Level Cups Sugar

Measure sugar into dry dish. Put the frozen orange juice, water, and M.C.P. Pectin into kettle and bring to a boil. Now, add the measured sugar, bring back to a full rolling boil, and BOIL EXACTLY 1 MINUTE. Remove from fire, let boil subside, skim. Pour into sterilized glasses leaving 1/2-inch for sealing with fresh paraffin. Makes six-ounce glasses. (Cut out and keep this recipe.)

## AIR WAR IN KOREA SUBJECT OF TALK

Lt. (jg) Sam French, air intelligence officer at the Alameda Naval Air Station, will address the 20-30 Club next Tuesday evening on the subject of air operations in Korea.

French appears as the second speaker in a series to address the club now being organized by young men of the township between the ages of 20 and 35. Club officers have extended an open invitation to the 90 or more young men of that age group in the township to join the group at its meeting Tuesday at the International Kitchen. Dinner will be at 7:30 p.m.

## TO NEED TEACHERS AT CENTERVILLE

Three additional teachers will be needed by the Centerville Elementary School for the fall term, Tom Maloney announced this week.

An increase in enrollment of 100 students is expected with the opening of the 1952-53 school term next September, he stated. The board of trustees have authorized the acceptance of applications from persons qualified for third, fifth and sixth grade teaching positions.

left side of the car.

The five women had been attending an annual picnic at the nursery of the Foothill Boulevard Federated Women's Club. All were given emergency treatment at Fairmont Hospital before being transferred to private hospitals in Oakland.

In the Machados Corners accident, the driver of the carrier, Harold V. Pasley of Richmond, reported that the Campbell light coupe pulled in front of him at the intersection. His truck, going north on the arterial highway, knocked the Campbell car into a stop sign and then skidded off the highway, jamming itself between a tree and a parked automobile.

The parked car, owned by John Dias of Newark, was seriously damaged, as were three of the five new vehicles on the trailer. Dias had just left his car to enter a restaurant.

Occupants of the Campbell car were thrown clear of the wreck. Evidence showed that Mrs. Campbell was thrown part way through the windshield and then back and out of the door of the car. She was dead on arrival at Fairmont Hospital.

Her daughter suffered leg fractures, a broken nose and severe cuts. She was given emergency treatment at Fairmont hospital and later transferred to the Palo Alto hospital. Mr. Campbell was released to the care of a private physician.

## LIGHTNING STRIKES ONCE, TWICE...

If you don't think that lightning strikes twice, just ask Mr. and Mrs. Manuel Freitas, who live on Thornton Avenue, Centerville, at the former Kolb ranch.

Last year, an apricot tree in their orchard was struck by lightning. And last week, during the freak electrical storm, lightning struck again, this time with more damage. Mrs. Freitas and her three children were terrified when lightning struck a big tree which came crashing down on the house. All of the windows on one side of the house were blown out, and their 3-year-old son, Clarence, narrowly escaped serious injury from flying glass.

"It was awfully cold and dark with no windows and all the lights gone," said their 11-year-old daughter solemnly.

Mrs. Freitas, even more solemnly, said, "Now I'm wondering if lightning can strike THREE times."

the gun accidentally discharged.

The case was referred to the county juvenile court in Oakland for consideration.

## VETERANS GROUP NAMES OFFICERS

Temporary officers of the proposed Veterans Council of Washington Township were named this week and details were completed to present formal organization plans to the four veterans organizations in the township for their approval.

Art Gomes, American Legion, was elected acting commander. Leonard Silva, Alvarado V.F.W., was named temporary adjutant and quartermaster; Walter Roethlin, Irvington V.F.W., temporary chaplain.

Upon the approval of the organization plans by the four veterans organizations, the council will take up its proposed duties of co-ordinating veterans affairs in the township in order to avoid overlapping of functions and activities.

## SOFTBALL LEAGUE TO BEGIN PLAY

First games in the V.F.W. 14th District softball league are scheduled for Tuesday evening, April 22, it was announced this week.

Irvington V.F.W. Post will meet the Livermore post at the Livermore Union High School field at 8:15 p.m. and the Hayward and Ashland posts will meet at Hayward.

Charles Contini, athletic director for California Department of V.F.W., will make the opening pitch at Livermore, and Claire L. Basford, 14th District Commander, will do the honors at Hayward.

The Irvington team is getting itself in shape with practices this week end on Saturday 12 noon, and Sunday at 10 a.m. Both practice games will be at Washington Union High School field.

## MRS. L. H. ADAMS HEADS C.D. GROUP

Mrs. L. H. Adams of Irvington Wednesday was named director-general of the Washington Township Civil Defense Committee. Mrs. Adams succeeds Bruce Michael of Warm Springs, whose resignation was accepted last week.

Mrs. Adams has been assistant director for the township for the past four months. She has named Mrs. Oscar Pohl of Warm Springs as her successor to that post.

## 78-FOOT WIDENING OF THORNTON AVE. SOUGHT BY STATE

State plans to widen Thornton Avenue an additional 78 feet north of the existing right of way line were given the Washington Township Chamber of Commerce Wednesday evening at its regular monthly meeting.

Steps will be taken in the near future, the Chamber was told, to establish future width lines to prevent the construction of new buildings within this area.

The information was given the Chamber in a letter from L. A. Weymouth, district engineer for the State Division of Highways at San Francisco.

The plan would call for the acquisition of property north of Thornton at the intersection of that street and Hesperian Blvd. (Main Street in Centerville). This property is now owned by St. James Episcopal Church and is under consideration now as a proposed commercial building site.

The plan would also call for the eventual removal of all homes within the 78-foot enlargement area running north of Thornton Avenue.

Members of the Chamber were informed that the extent in length of the widening was not indicated by the highway authorities, but that it would definitely be enlarged the length of the avenue as far as the proposed clover-leaf intersection with the contemplated Eastshore Freeway.

## NEWARK CONCERNED

Newark representatives to the Chamber voiced concern that a widening of the road to Newark would bring a highway of fast-moving vehicles to within 50 feet of the Newark Elementary School.

In the evening debate that followed announcement of the plan, the Chamber agreed to take immediate steps to propose an alternate route to be located between Thornton Avenue and Jarvis Road. Col. Gene Manning, executive secretary of the Chamber, was instructed to bring the alternate proposal to the attention of highway authorities.

The Chamber also received a "no" on two other projects under consideration.

The San Francisco Water Department has informed the Chamber that it was impossible to do anything definite at this time in regard to the sale of the Vallejo Mill tract as a proposed park site for the township.

The Union Sanitary District, comprising Niles, Centerville and Newark areas, informed the Chamber that though it was in accord with the Chamber's desire to establish a dry refuse dump for the township, the district could be of no assistance in the matter.

Two township men had their drivers licenses suspended last week, the State Department of Motor Vehicles has announced. They are: C. G. Agundez of Decoto and Guillermo Moreno of Newark.

## SET FOR MAY 17

Henry Lewis has been appointed general chairman of Newark's fifth annual Youth Center Carnival-Bazaar by the Youth Center Association, it was announced this week. The Carnival-Bazaar will be held at the Newark Elementary School on the evening of May 17. Mrs. Gayle Maphet Stepp, fourth grade teacher at Newark, will head the show committee and has issued a call for talent. Anyone who would like to take part in the show is asked to call either Mrs. Stepp at Niles 4507 or Ken Foster at Newark 3-3902.

Assisting Mr. Lewis in planning for the Carnival are the following: William Hildebrand, vice-chairman, Mrs. Ray Auchard, S. G. Scott and Mr. and Mrs. T. C. Gunn.

Proceeds of the Carnival will be used by the Youth Center Association for improving and enlarging the Youth Center Building.

## RUNOLFSON SERVICES

Private funeral services were held this week for Pearl Runolfson, 67, who died in Newark after a short illness. She had been a resident of San Leandro before coming to Newark a short time ago. The Chapel of the Palms was in charge of arrangements and closing services will be at Santa Monica.

## Everybody Rides

### at CHINO

If You've a Four Legged Critter and a Buck and a Half You're Invited

By AARON DUDLEY

Horsemen of many communities stage barbecues, cross-country rides and round-ups; but they're usually semi-exclusive affairs, reserved for riding club members and invited guests.

At the big Chino Ranch Ride, held annually on the last weekend in April, everybody rides. If they don't have a horse, mule or burro they just pile into busses and are trundled seven miles back into the hills for the big event. There, they line up with the horsemen, enjoy a big Early California barbecue, then find a comfortable spot on the hillside to watch the rodeo events in the arena below.

There are always 1000 to 1500 horsemen trekking back through the South Hills into historic Soquel Canyon for the big annual event. They set out at 9 a.m., wind two abreast over beautiful trails and up over the summit—then drop down into hidden Soquel Canyon, legendary hideout of the Early California bandit Joaquin Murietta.

### HOT BARBECUE

The whole gang is served a savory hot barbecue in a matter of minutes from a long line of steaming pots at noon—and then all settle down for a mid-day siesta before the afternoon's horsemanship events get under way. Then comes the seven-mile ride back to the starting point—historic Los Serranos Country Club, once the headquarters hacienda of Don Maria Antonio Lugo's vast Rancho Santa Ana del Chino.

Here, amid nostalgic surroundings of a bygone era, the horsemen and their bus-riding companions join for a festive Western dance and chuck wagon buffet in a big hall built on the

historic rancho nearly 100 years ago.

The dance, as the ride and barbecue, is open to everyone.

### CALIFORNIA FIESTA

When Chino Ranch Ride was first instituted back in 1937 in observance of Chino's 50th anniversary, community leaders decided it would be a typical Early California fiesta, with fun for everyone and no restrictions. All they asked was orderliness and proper treatment of the mounts. The ride was an immediate success—and each year the trails and accommodations have been improved.

This year the ride falls on April 27, and already crews of horsemen from the Chino Valley are riding back into the canyon to fix gates, hitching posts and other equipment at the grounds.

It makes no difference whether your mount is a palomino or a plowhorse—you'll be welcome and have fun on the Chino Ranch Ride. The directors see to that. Kids and burros and other slow mounts are carefully watched by a special posse of mounted police and rectors see to that. Kids on poor sportsmanship is permitted.

All a horseman or barbecue enthusiast has to do to attend is write the Rancho Ride Committee, Chino, California, enclosing \$1.50 for his ticket. Or if he doesn't get around to that he can ride in and join the gang the morning of the event and get his ticket right on the spot.

### Combine Bloomers With Shrub Planting

Plan your shrub and tree plantings to add a combination of pleasing foliage, flowers, such as roses, and berries and fruits to your property from winter through the fall, with liberal use of evergreens for color and contrast the year around.

## Fish Finest Fertilizer Source

By RENZ MEZZERA

The use of fish as the finest source of organic fertilizer has been known to the peoples of the world from the dawn of recorded history.

From our American history, we know that the Pilgrims at Plymouth were saved when the Indians taught them to use fish to grow their crops. Today, 400 years later, we still follow the Indians' advice. As a result of modern science, we can use liquid fish emulsion which embodies all the nutrients needed for plant growth.

Nutritionally, the requirements of the animal and plant kingdom are very similar. Limit the amount of nutrition, or pro-

vide food elements which are relatively difficult to digest and the human infant is stunted in

## Cymbidiums Cause Enthusiasm

You can easily grow spectacular orchids in your own garden by planting cymbidiums. Like most people, you will probably become more enthused each year, and want to add newer and more unusual varieties to your collection. In the fall, you will find yourself eagerly watching the clumps of grassy, swordlike foliage for the start of each flower spike, which will ultimately become a one to three-foot spray of magnificent orchids, with as many as 30 blossoms on a single spray. The sprays become more numerous as the plants mature with as many as 20 on a single plant. Cymbidiums should be planted in filtered sunlight in a fibrous soil, mixed with plenty of coarse leaf mold or peat moss. Be certain that they have good drainage.

## Cut Hollyhock Stalk at Ground

When hollyhocks are cut down, each stalk should be cut at the ground, rather than several inches above. Dried leaves should be picked up and burned. Rust is one of the common diseases of the hollyhock. If any of the new leaves show rust (reddish dots which when examined carefully are found to be rough surfaced) they should be picked off. A dusting of all new growth with sulphur should help to keep down rust on hollyhocks. More than that the gardener should never water these plants overhead. It is better to irrigate, and even better yet keep the plants on the dry side, even bone dry, and rust never takes possession. Rain water is not chemically pure.

## No More Fear of Choking, Gasping Asthma Spasms

Scores of Burlingame citizens are free from fear of attacks of Asthma since the famous physician's prescription, known as B. T. Formula, has been made available to the public. B. T. Formula is a liquid medicine, which, if taken regularly, lessens and delays the attack of Asthma to the point of bringing Asthma sufferers almost complete relief from this dreaded occurrence. B. T. Formula enters the blood stream and reaches the bronchial tubes, both large and small, loosening the phlegm that brings on the choking and loss of breath you have experienced. Get a bottle today of your local drug store or direct from B. T. Products Co., 1200 Burlingame Avenue, Burlingame, Calif.

## VETERANS GROUP NAMES OFFICERS

Temporary officers of the proposed Veterans Council of Washington Township were named this week and details were completed to present formal organization plans to the four veterans organizations in the township for their approval.

Art Gomes, American Legion, was elected acting commander. Leonard Silva, Alvarado V.F.W., was named temporary adjutant and quartermaster; Walter Roethlin, Irvington V.F.W., temporary chaplain.

Upon the approval of the organization plans by the four veterans organizations, the council will take up its proposed duties of co-ordinating veterans affairs in the township in order to avoid overlapping of functions and activities.

## THIEVES STRIP CARS

Eight cars belonging to workers on the night shift at Pacific States Steel Co. were given a going over by thieves early Tuesday morning. Several were stripped of accessories and one was missing two wheels and tires. The discovery was made when the employees went off duty.

"It was awfully cold and dark with no windows and all the lights gone," said their 11-year-old daughter solemnly.

Mrs. Freitas, even more solemnly, said, "Now I'm wondering if lightning can strike THREE times."

d Mrs. Batman, who have e Register for the past 8 ve made no definite plans.

Members of the Chamber were informed that the extent in length of the widening was not indicated by the highway authorities, but that it would definitely be enlarged the length of the avenue as far as the proposed clover-leaf intersection with the contemplated Eastshore Freeway.

**NEWARK CONCERNED** - Newark representatives to the Chamber voiced concern that a widening of the road to Newark would bring a highway of fast-moving vehicles to within 50 feet of the Newark Elementary School.

In the evening debate that followed announcement of the plan, the Chamber agreed to take immediate steps to propose an alternate route to be located between Thornton Avenue and Jarvis Road.

Col. Gene Manning, executive secretary of the Chamber, was instructed to bring the alternate proposal to the attention of highway authorities.

The Chamber also received a "no" on two other projects under consideration.

The San Francisco Water Department has informed the Chamber that it was impossible to do anything definite at this time in regard to the sale of the Vallejo Mill tract as a proposed park site for the township.

The Union Sanitary District, comprising Niles, Centerville and Newark areas, informed the Chamber that though it was in accord with the Chamber's desire to establish a dry refuse dump for the township, the district could be of no assistance in the matter.

Two township men had their drivers licenses suspended last week, the State Department of Motor Vehicles has announced. They are: C. G. Agundez of Decoto and Guillermo Moreno of Newark.

## Sonoma Story

## FREDDIE WING HOUSE WARMING

By ROBERT M. LYNCH, Editor  
 The Sonoma Index-Tribune.

Yee Wing Fong, who practically all the 2000 residents of the city of Sonoma, know by his American name Freddie Wing, was host at a house warming party at his new \$12,000 home in the Hillview tract recently—and what a party it was! Fred sent out 200 invitation and 200 people (plus a few more) accepted and attended.

Not only did his neighbors in the all-white neighborhood attend, but so did the many friends he had made from all walks of life since coming to the U.S. as a boy of 16. Mrs. "Hap" Arnold, widow of the famed general of the Air Force was a guest. So were the mayor, the town's two bankers, the newspaper publisher, doctors, lawyers, merchants—to name a few.

## MASTER COOK

With his attractive wife Nancy, whom he brought to Sonoma from Hong Kong in 1948, Freddie also greeted his Chinese relatives and friends to the party from nearby cities. Everyone partook of the tasty food served by Master Cook Wing, who has been the

chef at the Swiss Hotel in Sonoma since 1937.

There was roast pork, with almond and mushroom chicken, pineapple spareribs, sweet and sour chow fan rice, bo ha prawns and an assortment of Chinese candies and cookies.

This was the second time that over 200 people had turned out for one of Fred Wing's parties. When his son, Henry (aged 2) was christened, that, too, was the occasion for a gala celebration, with refreshments and wonderful food highlighting the friendly affair.

## PROUD OF FRIENDS

"I am very proud to have so many friends," said Freddie in thanking his guests for the many nice gifts they brought, following the housewarming.

Freddie Wing first came to the United States in 1924. He resided first in San Francisco, then later at the North Coast California cities of Fort Bragg and Pt. Arena. After serving as chef for several years at the Gualala Hotel near Pt. Arena, Wing made a return visit to China in 1929. He was married, but when his wife died during the war, he returned in 1931 to Gualala. In 1937 he came to Sonoma, the historic city where California was first declared a republic by the Bear Flag party.

## ARTIST, TOO

In Sonoma he became chef at the Swiss Hotel, one of the community's favorite dining places. His happy personality, good food and talent as an artist (he has painted many nice pictures) quickly won him many friends in the community, where everyone grew to know him as "Freddie".

Prior to the war, most of his savings went into war bonds and postal savings. In 1942, shortly after the U.S. entered the war, he enlisted in the U.S. Army, and served with distinction with the 91st Division of the Fifth Army in North Africa and Italy. His competence in the Army earned him the rank of Staff Sergeant.

## SECOND PARTY

He returned to his chef's post at the Swiss Hotel, Sonoma, in 1945 and in November 1948, returned to China to marry a pretty Hong Kong nurse. A son was later born to the couple, who are now again expecting.

From 1948 until a month ago the friendly Wings lived as neighbors to seven other families in the city's nicest apartment house. They were recently attracted by the beauty of the new Hillview residential tract, so some of Freddie's carefully saved money was used to purchase the attractive three bedroom home, nestled near the foothills with over twenty other residences in the tract.

Freddie Wing's many friends were happy to welcome him into his new home at the housewarming. He is the type of citizen that is admired. His cooking specialties may be Chinese chow mein or chop suey, but to Sonoma, he's as American as a hot dog!

growth. The young plant, too, requires an abundance of readily digested nutritive elements in forms available for its use. The plant needs approximately the same factors for growth and development—nitrogen, phosphorus, calcium, iron, zinc, molybdenum and many more of the so-called minor elements. Fish emulsion contains these and other trace elements.

Fish emulsion has been proved by extensive tests an ideal complete food for flowers, vegetables, lawns, berries and shrubs. In the May 1951 issue of Sunset, fish emulsion was given the best ratings for its contributions to soil structure improvement, for its outstanding bacterial action and resultant pepping up of soil, for supplying all nutrients a plant needs for balanced growth. Fish emulsion is safe, will cause no burning of foliage or roots.

## SET FOR MAY 17

Henry Lewis has been appointed general chairman of Newark's fifth annual Youth Center Carnival-Bazaar by the Youth Center Association, it was announced this week. The Carnival-Bazaar will be held at the Newark Elementary School on the evening of May 17. Mrs. Gayle Maphet Stepp, fourth grade teacher at Newark, will head the show committee and has issued a call for talent. Anyone who would like to take part in the show is asked to call either Mrs. Stepp at Niles 4507 or Ken Foster at Newark 3-3902.

Assisting Mr. Lewis in planning for the Carnival are the following: William Hildebrand, vice-chairman, Mrs. Ray Auchard, S. G. Scott and Mr. and Mrs. T. C. Gunn.

Proceeds of the Carnival will be used by the Youth Center Association for improving and enlarging the Youth Center Building.

## RUNOLFSON SERVICES

Private funeral services were held this week for Pearl Runolfson, 67, who died in Newark after a short illness. She had been a resident of San Leandro before coming to Newark a short time ago. The Chapel of the Palms was in charge of arrangements and closing services will be at Santa Monica.
